Starch Co. Strikers To Vote on New Offer

Meeting Set Tonight;
Membership Action Is
Urged by Conciliators

Striking union employees of the Union Starch & Refining Co. are to meet at 7:30 p.m. today to vote on a "final" company proposal for settlement of the 105-day walkout.

The meeting, to be held in the local Labor Temple, was called by Union President Thomas Austin and other members of the union's negotiating committee after the company submitted its latest proposal to the union in a five-hour negotiating session yesterday in the U. S. Mediation Service offices in St. Louis.

Austin, however, predicted rejection of the proposal. He referred to the new offer as "a piece of paper" and said all implications of progress which he had noted during negotiation meetings last week were contradicted by terms of the proposal.

The membership of the union—Oil, Chemical and Atomic Workers Union, Local 7-683—will be given an opportunity to vote on the offer either by secret ballot or an open vote in tonight's meeting, Austin said. Approximately 200 members are on strike.

"What the members do about voting will be up to them," the union president added.

Conciliators Meet Mayor
U. S. Conciliators who have been sitting in on company-union contract talks met with Mayor Donald Partney shortly after the negotiation meeting ended to advise him of the developments.

The conciliators, Paul Bowers, of Washington, D. C., and Bernard O'Keefe and Gilbert Kanenberger of the St. Louis office, said the union was urged by them to present the proposal to the entire membership for approval or rejection.

Bowers told the Press-Record after several sessions of intensive bargaining last week, we have come to a redraft of the complete proposal by the company, and it has been submitted to the union through the conciliators.

We recommend that the union present the proposal to the entire membership, and we urge all members to turn out for such a meeting.

"We learned from reliable sources that union officials rejected the offer following a Christmas in Wednesday's negotiation meeting, but agreed later to present it to the membership on recommendation of the conciliators."

Wednesday's meeting was attended by T. R. Reed, Columbus, Ind., president of the Starch Co.; E. D. Swisher, St. Louis, union vice-president from Denver, Colo.; and H. J. McLean, International director from Chicago, Swisher is scheduled to attend tonight's membership meeting, and McLean also may be present.

Pfc. Emery, a member of the 3rd Battalion, 3rd Division of the 3rd Marine Corps, died last Friday of a head wound inflicted in fighting near Chu Lai. He was the couple's only child.

A wreath and holiday bouquets were placed yesterday morning at the Memorial stone on the city hall lawn by an anonymous ex-Marine. A card reads "In Memory of Robert E. Emery, Jr. a former Marine, United States of America."

In a letter received by his father on Dec. 3, Pfc. Emery wrote he was in good spirits, but that it was "pretty bad" and "a crazy war... all we're doing is fighting."

He was expected to be relieved in January to go to Okinawa for a rest. Pfc. Emery had been in Vietnam since June.

The family has resided here for the past two years and Pfc. Emery attended Granite City high school before enlisting in the Marines in August 1964. He left for the service on Nov. 12, 1964, and trained at San Diego before enlisting.

His father, a member of the Coast Guard, was enroute home from Alaska when he received word of his son's death. He arrived home this week.

The Emery family had resided in Rockland, Maine, where Pfc. Robert Emery was born. They moved here when the Coast Guard transferred his father to St. Louis.

Services for Pfc. Emery are to be held at Rockland, the family said. No date has been set.

Car Hurt; Girl on Bike
Hit; Auto Strikes Boy

Six persons were injured, including three in one mishap, in four of 14 traffic accidents which occurred on Quad-City streets this week. Included were a girl on a bicycle and a boy who ran in front of a car.

Three persons were injured when auto driven by Roland E. Kries, 19, of 538 Spalding avenue, and Harold A. Woodruff, 2428 East 23rd street, were involved in an accident at 7:15 p.m. Wednesday at 2413 East 23rd street.

Woodruff was preparing to turn right into his driveway, taken by ambulance to St. Elizabeth's Hospital where Kries and two passengers in his auto, Darlene Jackson, 16, of 1513 Market street, Madison, and Sandy Williams, 17, of 2308 East 21st street.

Kries was admitted with a hematoma behind the right ear and a pain to the right wrist. The Williams girl was admitted with a severe pain in the neck and multiple lacerations to the face and head. The Jackson girl was treated for multiple abrasions to the forehead, chin and back and was released.

The report showed that Kries lost control and his car hit a utility pole.

Girl on Bike Hit
Debbie Craycraft, 12, daughter of Mr. and Mrs. Richard Craycraft, 2002 Missouri avenue, was injured when her bicycle was struck by an auto driven by Carl E. Smith, 3027 West 10th street, as both were headed west on 20th near Dewey avenue at 6 p.m. Monday.

Smith left the scene but was reported at 9:45 p.m. to the police (Continued on Page 31, Col. 4.)

Double Trouble in 16 Hours
Plagues Venice City Official

Harry Buente, First Ward alderman of Venice, can testify that trouble comes in batches—and there was a 16-hour period this week that proved the maxim.

Arriving at his home at 917a Main street about 9:30 a.m., Buente noticed a window open on a second-story landing, and saw that another window into his apartment had been broken. At the same time he saw someone run onto a back stairs.

Buente ran downstairs and headed off the fleeing intruder as he hunk down the driveway. Buente told police that the man, identified as David Foote, 35, of 123 Grand street, Venice, offered no resistance and accompanied Buente to the police station.

Police booked Foote on a charge of attempted burglary. Foote later was released on his own recognizance to Granite City magistrate's court to appear for a hearing today.

Sixteen hours later, at 1:25 a.m. Wednesday, an auto driven by Finice A. Dewey, 30, of Florissant, Mo., slid on wet pavement at Main street and Broadway and crashed into the front of Buente's brick business building.

The crash broke out a large plate glass window, a door window, tore out several bricks and dislodged the front door frame. Dewey was uninjured.

The board rejected a proposal to increase vacation time for Dec. 23 and 30.

By a 3-1 vote, the board decided to take preliminary steps leading toward acquisition of a Mitchell area grade school site.

Contract Signing Set
Signing of a contract with Cannon Construction Corp., Wood River, to build a second 100 Anchorage apartments for the elderly was scheduled for tonight at a monthly business session of the Granite City Housing Authority.

Tuesday night, lives attended the meeting, held in the form of a Christmas dinner at Tony's restaurant, Mitchell.

Real Estate Board
Elects Ralph Morris

Granite City Board of Realtors yesterday named as president, Ralph A. Morris, I, president of Morris Realty Co., whose father, the late A. W. Morris Jr., also served as the organization's top executive in the mid-1940's.

Morris, who will take office at the group's Jan. 19 meeting, succeeded Ray Kaegel, Jr., president of Real Estate Co., who was elected secretary-treasurer. Carl Miller of Miller-Wolf Realty was named vice-president.

Members of the board of directors chosen are John Bloodworth, Francis Judd, Andrew Gitchoff and Miller.

Rink, Recreation Center Election In GC Saturday

Four cents is for the garbage tax and one cent for playground and recreation purposes.

The tax hikes were provided by state statutes this year but adoption was required by Dec. 31 for next year, according to John Gitchoff city attorney.

He said the increases are still subject to the general revenue law and the "scaling down" provisions of the old Hodge-Butler act.

State statutes permitted a two-cent increase for playgrounds and recreation but only one cent per year was voted by the council and the actual tax rate probably will go to 5.67 cents next year, he said.

Gitchoff explained that under the Hodge-Butler act, the city may not actually receive all of the four-cent garbage tax increase where scaling down provisions apply.

Seek Federal Grant
The council also adopted a resolution requesting the Illinois Department of Business and Economic Development to apply for a federal grant from the Housing Home Finance Agency.

The grant would be used for a study of both Madison and Venice, to be conducted by the Southwestern Illinois Metropolitan Area Plan Commission, is \$12,000 and the city is seeking a two-thirds federal grant to help pay for its share.

At the St. Louis office, Morris noted that he now is a member of the executive board of SWIMAPC.

Maers said the city has received a preliminary report on classification study on roads and streets in the city by Wilbur Smith & Associates, engineering consultants with a request for suggested changes. The firm is conducting a statewide survey for the Department of Public Works and Buildings.

Need Industrial Routes
The mayor said the city will need major routes along State highways to be completed in time for the ice skating season next winter. About one year is needed to prepare detailed plans, obtain competitive bids and carry out the construction work.

A new state law permits such projects to be built without a referendum, but park commissioners called for a public vote in line with their policy of "keeping the park and recreation program in close touch with the needs and wishes of the public."

Although leaving the decision up to park district residents, all of the board members have expressed enthusiasm over the recreation center and the ways in which the new structure could help the city.

Views of Students
Rick Turner, a Granite City family school senior residing in the Nantoket area, a football player and president of the Roca young men's club, "I think it's a very good idea from young people's standpoint and also from taxpayers' standpoint."

"It will be a very fine recreation center. I urge all adults to vote for it."

Miss Debbie Bush, a Granite City high school student who lives in the 2200 block of State street, "I think it would be a good thing for the public. I hope the people in the older part of town vote for it."

"Some of them may not feel that they would benefit, but I think they would."

Safety Glasses for GC Shop, Science Students, Teachers

In line with a state law passed this year, the Granite City school board decided Monday night to furnish eye protection devices to teachers in all vocational shops and science classes, and to sell them at cost to students in such shops and classes.

Special lens prescriptions when needed will be determined by specialists chosen by the students and teachers.

Spectacles, impact fit-overs (cover glasses), explosive-protected fit-overs, welding goggles and face shields are to be used at Granite City high school and the three junior high schools. Cost to the school district will be about \$400,000, of which will be reimbursed through sales to students.

The plan chosen follows the same principle as physical education classes, for which the student provides his own suit and tennis shoes. Provision of goggles free or on a rental basis, will create repair, replacement, cleaning and sanitation problems and also would leave the school system open to lawsuits, it was noted.

Dr. Stanley Maer, who served as consultant to an administrative committee headed by Administrative Assistant B. J. Davis, attended Monday's meeting and took part in the discussion.

Acting on bids on safety glasses and devices, the board made purchases totaling \$2280 from American Optical Co., \$1561 from U. S. Safety Service and \$42 from Safety Products Co.

Administrator Trained
The school board authorized participation in a Southern Illinois University program, under which graduate university students will serve school administration internships in the Granite City district. The district also accepts undergraduates as student teachers.

Describing the plan as "very worthwhile," Supt. Russell D. Johnson said there will be no cost to the system other than the time spent by administrators with the students. This will be made up through the duties carried out by the administrator-trainees.

Permission was granted for Granite City Jaycees to hold the statewide Illinois Junior Sports Jamboree next Aug. 4, 5 and 6, including use of the GCHS track and girls' gymnasium, the Coolidge gym and school cafeteria facilities. The charge will be the costs involved. Chairman Boyd Presley said a reception is to be held for Gov. Otto Kerner during the jamboree.

Prather junior high school PTA was authorized to use the high school auditorium April 3 for a performance of the "Oscar Opera." The Knights of Columbus thanked the board for use of the GCHS auditorium in its annual memorial service.

New Teachers
The board hired for the spring semester beginning Jan. 24 Miss Patricia Ann Hankins, Collinsville, 1966 bachelor degree from Illinois State University, as a Mitchell primary grade teacher; Mrs. Sharon Kay Danner, St.

Louis, 1965 bachelor degree from Monmouth College, as a Central junior high English and social studies instructor; and Miss Roberta Jean Schneider, Franklin Park, Ill., 1964 bachelor degree from Northern Illinois U. and a year and a half of teaching experience, to teach a Washington second grade class.

Resignations were accepted from Mrs. Joyce Starrick, Rural Route One, Washington second grade teacher, whose husband has accepted the pastorate of a church in southern Illinois in late January, and from Elmer Zeugin, 2610 Denver street, Washington custodian, effective Dec. 31.

The board approved nine names for its "extra board" custodial hiring list, based on examination scores, references and application dates.

School Calendar Action
Final action was taken on the 1965-66 school calendar, omitting the statement that "Maundy Thursday, Easter Monday and Easter Tuesday are to be holidays if these days are not needed to meet state requirements."

However, it is planned at the March 14 board meeting to designate April 7, 11 and 12 as holidays.

In other business, the board was advised that a school boy accidentally hit in the mouth with a baseball bat has filed suit, that 12,022 persons attended American Education Week open houses and that Christmas cards from board members are to be distributed to school employees.

Supt. Johnson described a National Association of Manufacturers educational meeting he attended in New York Dec. 1-3 and Board Members George Moore sr. and Daniel Linder reported on the state school board association meeting held in Chicago Nov. 20-22. They described Granite City as a "trail blazer" in the educational field.

Linder presided, and Moore, Dr. Eugene Walton and Ronald Billard provided the quorum. Not present were President Monroe Worthen, Robert Crider and Royce Timmons.

Describing the instructional materials as "excellent" for encouraging dental health, Supt. Johnson said the district refused to advertise last year due to extensive advertising included within the material. All objectionable features have now been eliminated from the instructions, although the emblem will appear on the tubes of toothpaste, he added.

Dr. Eugene Walton voted "No" due to the emblems commercial aspect.

Warren Simpkins, GCHS vocal music instructor, was authorized to attend a March 17-18 meeting in Kansas City of the National Music Educators Conference.

Dental instruction in kindergarten through the sixth grade, with electricity supplied to third graders by the Crest firm, was approved by the school board.

Two Men Arrested in Venice Disturbance
Russell Murphy Jr., 26, and Douglas Sipes, 35, both of Erie Pa., were arrested by Venice police at 4:15 p.m. Tuesday after a disturbance at Sharkey's Truck Stop at 1428 Broadway.

Anthony Divietro, operator of the garage, called police when the two men allegedly became abusive over the cost of repairs on their automobile. The men threatened him and broke a door glass as they left the building. Officers arrested Murphy at the scene, and picked up Sipes 45 minutes later as he left the Gateway Trucking Co. office across the street.

Officer Joseph Meehan said Sipes became unruly when he was arrested, but went to the station peacefully after Meehan said a night stick from the

Miss Illinois Hopes Ice Rink Vote is Favorable
Kathleen Oros, Granite City student at Eastern Illinois University and reigning Miss Illinois, is "thrilled at the prospect of having a beautiful new ice skating rink and recreation center in Granite City."

"Such a project would not only be a great asset to our community," she told the Press-Record this week, "but it would also be a possible answer to a

dilemma facing me and others in my age group.

"Since I graduated from high school, I have become acutely aware that there is very little entertainment opportunity in Granite City for young college-age people.

"Now, if the bond issue is passed, we will at least take a step toward solving this problem. Naturally, I would applaud the passing of the bond issue Saturday," Miss Oros commented.

Schools Ask City To Annex Logan, Prather Sites

Addition of 37½ acres to the western edge of Granite City was proposed Monday night by the school board.

It was decided to petition the city to annex the campus shared by Logan grade school, 2400 West 25th street, and Prather junior high school, 2300 West 25th.

The tract is contiguous to the city, and a request from the school district was necessary prior to city council action.

The council recently annexed Wilson grade school without a petition; none was needed because the site was entirely surrounded by the municipality.

A small part of the Logan-Prather property already is in the city. Annexation of the remaining land will add no obligation to the school district and will clarify the police department's authority to include the area in its patrols.

The board also briefly discussed the Coolidge junior high school campus, on which it won an Illinois Supreme Court reversal of two lower court rulings challenging public ownership. The plaintiff, Harold Kronsbein, has sought a re-hearing, on which a decision may be given in January.

Mark Time on Code Survey
To permit further study, Supt. Russell D. Johnson withdrew a recommendation to have two architectural firms proceed with a survey of school remodeling needed to conform to the state's "life safety code."

"I thought it had settled down, but there have been changes since last week," the superintendent said, adding that state legal officers also are questioning whether a 1965 legislative revision — exempting schools built between 1955 and 1965 — will stand up in court.

Plans call for Architects Henry Gabriel and Sylvester Duleroff to survey the high school and Washington, Webster, Mitchell, Namecki and McKinley grade schools for a total not exceeding \$25,000.

Architect Virgil Duleroff is to survey Central junior high and the Niedringhaus, Emerson, Marshall, Logan and Stallings elementary schools for \$15,420 or less.

At the suggestion of the Frohardt PTA, the board decided to expand the existing parking lot at Frohardt grade school.

The possibility of adding advertising to the high school yearbook was discussed, with no change made in the present policy of excluding advertisements.

Supt. Johnson and several board members said they would oppose attempting to put the school football program on a self-sustaining basis. Johnson recalled inadequate transportation, equipment, laundry and training arrangements in past years when football costs were kept to a minimum.

Repair of high school and junior high football helmets, pads and shoes for about \$1200 by the Midwest All-America Co. was authorized.

A contract was signed with Central Christian Church on continued use of four church rooms by Frohardt school. There were no changes in terms.

Equipment Purchased
Bid awards were authorized on physical education equipment, \$756, School Equipment Corp., Foley, Mo.; office supplies, \$823 from A. B. Dick Products, \$389 from Miller-Bryant-Pierce, \$360 from Thermo Fax Sales, \$301 from Panama Beaver, \$150 from Frankel Carbon and \$9 from Royal Typewriter Co.; science equipment, total of \$1080, from 10 vendors, with \$799 to be reimbursed by the U. S. under the National Defense Education Act; audio-visual aids equipment, \$4,884 from six vendors, including \$233 from Graham's Bookstore and \$3272 from W. Schiller & Co., with \$1921 NDEA funds to be received and \$130 from the Mitchell PTA; lighting supplies, needed purchases through Dec. 31, Alpha Distributing Co.; and hardware lumber, \$1189 from Steele & Hibbard and \$778 from Gaines Lumber Co.

Bills paid totaled \$41,140 in the educational fund, \$19,226 in the transportation fund, \$23,946 in the cafeteria fund, \$6742 in the building fund, \$68,470 in the new construction fund and \$10,041 in the bond and interest fund.

Sunday Deadline to Enter JCs Yule Lighting Contest

Eighteen prizewinners, including two grand award recipients, will be selected in the 1965 Granite City Jaycee "Christmas Home Lighting Contest," with each winner to receive a \$10 cash prize. Deadline for entries is midnight, Sunday, Donald Knapp, Jaycee project chairman, said today.

Nine top lighting displays will be chosen in each of two categories—religious and non-religious—with the two grand winners to be presented with special trophies in addition to the cash prize.

Entry blanks may be obtained from Jaycee members, at the Illinois Power Co. office, co-sponsors of the contest, or by filling out a display sign at the three local banks.

Completed entry forms must be mailed prior to the deadline date to Post Office Box Three, Granite City. Judging will take place next Monday and Tuesday evening, by a selection board headed by Eugene Ainslie, GCJHS art director.

Five Madison winners will each receive a \$20 cash award in the annual Christmas lighting contest sponsored by Madison Rotary Club. Alex Markuly, chairman, reports that registration is not required in Madison, as judges will view all decorated homes on Tuesday and Wednesday evening.

The area's third lighting event will be held in the Eagle Park Acres, co-sponsored by Illinois Power Co., and the Eagle Park Acres Improvement Association. Prizes include a \$20 merchandise gift certificate, first place; and \$10 gift certificate, second place. Judging will be completed during the coming week, Cleveland Johnson, association president, announced.

Pair Arrested After High Speed Chase in Madison
The driver of a car who led Madison police on a high speed chase before he and a companion pulled into a parking lot and fled on foot were arrested shortly after 1 a.m. Tuesday.

Police identified the driver as Charles Donaldson, 25, of St. Louis. He was charged with speeding, reckless driving and running a stop sign. His companion, Donald A. Carney, 24, of 2435 Logan street, was booked on charges of disobeying an officer and disorderly conduct.

Madison police said both men were turned over to Granite City police who had been seeking them on other charges.

Patrolman Ronald Grzywacz reported he sighted Donaldson's car headed south on Iowa street shortly before 1 a.m. at a high rate of speed. He gave chase and followed the car onto Madison avenue where, he said, Donaldson forced several other cars off the street before pulling into a lot at the rear of his tavern at Fourth street and Madison avenue. The two men jumped from the car and fled in different directions.

Grzywacz said Donaldson stopped and dropped to the ground as the other pulled his gun and threatened to shoot. Carney was arrested a short time later at Lewis' tavern, police said.

Donaldson was taken into custody by Granite City police at 2:30 a.m. Tuesday and charged with creating a disturbance. He was released on \$25 cash bail pending a hearing on Dec. 29.

Granite City authorities obtained custody of Carney on a disorderly conduct charge at 10:19 a.m. Wednesday on a complaint signed by William Kieffer, proprietor of Kieffer's lounge, 1901 Adams street.

Carney was taken before Magistrate Andreas Mateosian but refused to make a plea before consulting an attorney and was returned to jail.

Accepts Appointment To Teach in Africa
Dr. and Mrs. Allen Holt of Shawnee, Okla., son-in-law and daughter of Mr. and Mrs. Earl Phelps, 408 Wamock avenue, are to leave Oklahoma early in January for Niola, Africa, where Dr. Holt has accepted a two-year appointment as a college instructor.

According to word received from the University of Illinois in 1960, has been professor of chemistry at Oklahoma Baptist University at Shawnee for the past four years. Mrs. Holt, the former Mrs. Phyllis Phelps, is a native of Granite City. Their two children will accompany them to Africa. Dr. Holt's appointment was made under the Aid to International Development Program.

Traffic Charges Filed
Charges of reckless driving and driving without a driver's license were filed by Madison police Wednesday against Robert Crane, 19, of 2645 Washington avenue, who was injured early Sunday morning in an automobile accident at 12th street and Madison avenue. Crane and a brother, Harley Crane, 21, also of the Washington avenue address, were injured in the crash, as was Edward P. Wilkinson, 25, of 4322 Walcott avenue, driver of the other car.

Local Family Buys Care Home in Alton
Mr. and Mrs. Bruce V. West, 1926 Benton street, have purchased the 20-patient Griffin Shelter Care Home, Alton. Remodeling the two-story building is being completed this week. Mrs. West, the former Shirley Riley of Granite City, will serve as administrator, with other 24-hour supervisory personnel. She formerly managed another Alton nursing home.

West, a crane operator with St. Louis Slog Co., Granite City, his wife and their two children, Bruce, five, and Tracy Louise, 14 months old, will retain their home here. The couple owns several apartment houses here.

McMillan Honored at Boy Scout Yule Supper

Boy Scout Troop 15, sponsored by the Eagles, held a Christmas pot luck supper Monday evening at the Eagles home. About 100 scouts and members of their families were served.

Assistant Scoutmasters Floyd Brunson and Al Tarpoft gave out exchange gifts and gifts for scouts' younger brothers and sisters.

Earl McMillan, former scoutmaster, was honored with a statuette for his years of service, presented by James Spinks, present scoutmaster.

Mrs. Shirley Gitcho, president of the Mothers Auxiliary, and her committee were in charge of arrangements and decorations. Next troop meeting will be at 7 p.m. Monday.

Santa to Visit Bowline
An annual Christmas party will be held by the Bowline Boat Club Saturday evening at its clubhouse on Hartford Canal. Santa Claus will give out gifts to all children attending. A pot luck supper will precede the party.

License Rules Revised

New Curfew Law to Curb Late Driving by Youths

New state laws for drivers under 18 and 21 years old will take effect Jan. 1, it was noted today by Illinois State Police Capt. Emil Toffant.

A law prohibits drivers under 18 years old to drive on public streets and highways in violation of the state curfew, and the other requires driver license applicants under 21 to have parental consent.

Consent is required now only until they are 18.

Toffant said the curfew law "should be a great asset to larger cities in curbing the juvenile crime rate from its highways who drive around at all hours of the night."

The state curfew makes it unlawful for an individual under 18 to be present on the street or public place between midnight and 6 a.m. on Saturdays and Sundays and between 11 p.m. and 6 a.m. Sundays through Thursdays, unless accompanied by parent or guardian.

The new driver license requirement will affect both persons applying for their first licenses and those seeking renewal of existing licenses. It will not change the status of persons with valid licenses which will not expire until after they reach 21, nor does it apply to married persons.

Next year, applications of persons under 21 must be accompanied by written consent of the father, if he is available and has custody; otherwise, by the mother or guardian having custody; or if there is no parents or guardian, by another responsible adult.

The secretary of state can cancel the license of any minor upon written request of the person who gave consent. In such cases, a new license may not be issued for at least six months.

Report of Birth of Twins is Unfounded

A. P. Thayer of the 2100 block of Cleveland Blvd. advised the Press-Record Tuesday that he is not the father of twins as was erroneously reported Monday.

Thayer said he is unmarried, had been recorded there.

THIS I BELIEVE

I believe that it is impossible to be lost, if a person will believe, experience and practice the teachings from the Bible. By the same token I believe it is dangerous for a person to try to unite Scripture with mere church traditions, thus forming a hybrid doctrine (Galatians 1:6-9). The Scriptures are sufficient for salvation without the crutch of church traditions (2 Timothy 3:14-17).

The main issue in religion today is not denominations getting along together, but rather every person having a solid and clear foundation laid in the Scriptures. If it is the Bible and its message you want—then be sure to attend United Pentecostal Church now located at 2450 Pantoon road. First service 9:30 a.m. Sunday School. Regular services: Tuesday, 7:30 P.M., Young People—Jerry Wilson, Leader. Thursday, 7:30 P.M., Bible Class—Pastor, Leader. Sunday, 5:30, 9:30 A.M. Worship, 10:45 A.M.; Evangelism, 7:00 P.M.

GC Grapplers Score 36-6 Win at McCluer

Granite City wrestlers won their first dual meet of the year Tuesday night as they pinned a 36-6 loss on McCluer (Mo.) high school in Missouri.

In previous action this year, Granite City won two invitational tournaments and finished second in a triangular meet.

The Warriors defeated their opponents in all but two weight classes, in which McCluer scored its six points on decisions.

Bill Fuchs continued his winning ways in the 95-pound class as he pinned Jody Turpin in 1:08. Fuchs, undefeated, has won all but one of the opponents he has faced this year and is the Illinois state runner-up in that class.

Other pins were scored by Larry Reynolds (112) and Jim Valicoff (140). Warriors who won on decisions were Joe Martinez (108), Lester Robertson (120), Brian Laney (133), Mike Andria (139), Bruce Illes (154), Ray

Three Cage Games Here on Friday Venice Wins 7th Straight; Dupo Edges Trojans, 76-74

Venice continued on its winning ways by clobbering St. Paul 83-62 here Tuesday night, while the Madison Trojans had their perfect record spoiled 76-74 in a cliff-hanger at Dupo.

Holding a 42-26 halftime lead against the St. Paul Vikings, Venice basketball coach Bill Ohlendorf was not too happy with his team's first-half performance.

But the Red Devils went on to win Tuesday night's game 83-62, thus stretching their win streak to seven straight victories without a setback.

The only time that the Vikings from Highland were in contention came in the early minutes of the game when St. Paul trailed 6-2, pivot man Percy Dillon scored from underneath on two perfect passes from Rich Essington and Venice stretched its lead.

27-Point Lead
At one time in the second half, the Red Devils led by 27 points. Dillon was virtually untouched under the basket as he hit on five easy shots in the first quarter.

Greg Puente, an opportunist in handling the ball, switched through seven long jump shots and chalked up 14 points for the evening. Puente, when no Red Devils appeared to be open, hit on shots 25 feet away from the basket.

"We played terribly. We were sloppy," said Ohlendorf as his team started for the dressing room at halftime. Despite such problems, St. Paul was having poor results trying to break Venice's full court press and the

Prather Wins; Central, Venice Split Games

Roger Reishé scored 28 points and led the Prather ninth grade basketball team to a 57-42 victory over Madison Monday night at Madison Monday night.

Pressing the whole game, the Chiefs won their fourth straight ballgame. Their season record is now 4-3. Larry Priel chipped in 10 points for Prather.

The seventh grade Central team split a pair of games against Venice teams. The seventh graders dumped Venice 35-24 in a preliminary contest, with Lester Pittman of Central scoring 19 points.

The Venice eighth grade team handed Central its third loss of the season with a 38-30 score. Frank Melchic tossed in 14 points for Central.

The seventh grade Central team now has a 2-3 season record.

Vikings were off on their shoot-out from Highland were in contention came in the early minutes of the game when St. Paul trailed 6-2, pivot man Percy Dillon scored from underneath on two perfect passes from Rich Essington and Venice stretched its lead.

Venue came out of the dressing room, and behind the shooting and rebounding of Dillon and the play-making of Essington and Puente, quickly took a 27-point lead to decide the outcome.

High scorers for St. Paul were forward Bill Hengehold with 16 points and forward Jim Hess with 15 points.

St. Paul now has a 3-4 season mark.

Trojan Rally Falls Short
Madison's Trojans tried to gain another victory via come-from-behind tactics, but fell two points short as Dupo edged the Trojans 76-74 Tuesday.

The Tigers jumped to a 23-11 first-quarter lead, but Madison led the margin to only six points at the half, 33-33. The third-period score was 59-50.

Behind the shooting of ace Dale Turner, the Trojans made a fourth-quarter bid for the win, outscoring Dupo 24-17.

If there had been another 30 seconds or minute left to play, then maybe we could have won, but who can say?" said Madison basketball coach Earl McClanahan.

In two earlier contests—Roxana and East St. Louis—Madison overcame halftime deficits such as rallied to win. But the Trojans fell short against Dupo.

"We just can't get on giving opponents that halftime lead and

Win Streak, Stay Alive Chance, Prestige On Line

A winning streak, a bounce-back chance and a bit of prestige will be on the line Friday night as the three local high schools entertain basketball foes.

Triad will play at Madison at 8 p.m. Aviston at Venice at 8:15 and Edwardsville at Granite City at 8:30 Friday. Granite City also will host Alton Saturday night.

Venue will be risking its perfect 7-0 season record against an MCM Conference foe but the risk seems slight, the Red Devils having crushed Aviston 75-18 in the conference tournament 18-1-1 week. Percy Dillon is Venice's top rebounder and scorer, and Rich Essington is the playmaker.

"I hope we'll have a good game on our hands," Venice Coach Bill Ohlendorf said. "When you get an easy one, the boys tend to make mistakes and lose efficiency."

Triad Joins Conference
Triad will come to Madison as a non-league foe for the last time. Next year, as a recently-selected Midwest Conference member, it will compete in the conference basketball race.

Coach Rich Mason's Vikings have a 5-2 record and are paced by the 15.5 point scoring average of Terry Zobrist, 6'1" forward.

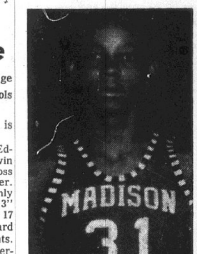

After a week's layoff, the Trojans dropped a close game at Dupo in their last outing. Earl McClanahan's crew needs to defeat Triad to even its record at 3-3. Dale Turner is the leading area scorer with 27 points at granite.

Two 'Must' Games
Granite City's hard-hack team

faces two "must" games if it is to be a contender.

A pre-season dark horse, Edwardsville has a three-game win streak going after a 76-53 loss to Highland in its season opener. The Tiger quintet sports only two returning lettermen, 6'3" center Leon Moore, averaging 17 points a game, and 5'8" guard Fred Crook, averaging 8.2 points. Warrior Larry Ripka is averaging 13 points a game.

The weekend schedule boils down to a test of Venice's winning streak, a "stay alive" opportunity for Madison and a chance for Ralph Sackett's Granite City squad to regain winning presage.

Braves Edge Florissant In Mat Meet

Bob Pates pinned his opponent during the heavyweight final bout and gave Coolidge a 28-25 wrestling win over Florissant (Mo.) at Coolidge Wednesday.

Going into the final bout, the Braves were trailing 23-23, but Pates pinned his man in 4:25 and gave Coolidge five points and the win.

Other Braves who scored pins were Bob Miller (85), Ed Milton (103) and Tim Wallace (189). Decision winners were Greg Ho-meyer (112) and Charles Campbell (127).

The mat victory was the fourth straight for the Braves against no backbats. On Friday, Coolidge will host St. Louis University high school freshmen at 4:30 p.m.

Freeman Sparks Illini Quintet

Don Freeman scored 22 points in the second half and led the Illini to a 90-70 come-from-behind victory over the Badgers in Madison, Wis., Tuesday night.

Freeman, held to only five points the first half, pulled the Illini from behind a 39-37 halftime deficit.

The Illini will remain in first place in Big Ten standings for three and a half weeks, until action is picked up after the Christmas recess.

36 Points by Turner

Turner sparked the Madison rally and led all scorers with 36 points, on 15 baskets and six free throws. Paul Lusk, the other half of Madison's main scoring punch, netted six points.

Dave Cook was high man for the Tigers as he dumped in 12 baskets for 24 points.

The game leaves Madison with a 2-1 overall and a 1-1 Midwestern Conference mark. Dupo is 3-2 overall and 3-1 in conference play.

MORE ABOUT

Tri-City Port

erating facilities and negotiation of contracts have been of an only during the last four years.

\$720,000 Bond Issue

Assets of the district, as of Dec. 1, amounted to \$961,875, of which \$100,000 represents construction costs at the Granite City harbor on the Ch. a n of the Rock Island.

An audit of the district's \$720,000 revenue bond issue took nearly a year ago. Another bond issue for expansion of the facilities is being considered by the commissioners.

The district's expend it u e since the time of its establishment, based on state appropriations, total \$351,440, according to a separate report. Of this amount, however, \$122,200 was paid to the U. S. Army Engineer District for lagoon reclamation, leaving an expenditure of state funds in the amount of \$229,240.

Barron said the district does not consider the \$229,240 of the bond funds of \$720,000 as a liability against the district since the projects constructed with these funds provide long-term lease income that will pay off the bond issue and, in addition, pay part of the district's operating costs.

Income from State

The Port District was created in 1959 under a legislative act and was financed during the first biennium with a state appropriation of \$51,000. For the 1961-63 years, the state gave the district \$159,179, and for the 1963-65 period allotted another \$141,080. A supplemental appropriation for the 1965 year amounting to \$12,800 also was made.

This made a total of \$355,140 in state funds provided from the time of the district's inception through the current year. Of this total, however, the district returned to the state, in unexpended appropriated funds, an aggregate of \$369 for the six-year period, leaving a total of \$351,440 in state funds actually spent by the district.

Barron pointed out that the district rents the land on which it operates from the U. S. Army Engineer District. Rental payments to the Army Engineers for the land funds amounting to \$122,200 during the six-year period, leaving the Port District the \$229,240 which it has spent to date.

Under the Federal Reclamation Act, however, 75% of the amount paid for rental by the district was allotted to Madison county—an amount totaling \$91,650. This goes into county general operation, and therefore represents a direct gain to Madison county taxpayers.

Sold First Bonds

Nearly a year ago the Port District sold its first bond issue to finance construction of rail facilities, now operated under lease by the Illinois Terminal Railroad and two large tanks—a 300,000 gallon and one 2-million-gallon structures—which are now operated by National Marine Service and subleased to Dow Chemical Co. and Allied Chemical Co. for shipment of liquid products through port facilities.

The \$720,000 also helped finance rail and truck loading facilities, dredging, pumping and heating equipment and dock structures.

Barron said the audit of the bonding account shows the district had on hand, as of June 30, cash amounting to \$204,900, including \$72,319 in construction accounts, \$55,479 in interest reserves, \$69,758 in maintenance and operating accounts and \$4403 in a checking account.

Other assets include office equipment of \$3148, from tenants, \$1723, construction projects of \$712,432, real estate holdings of \$10,281 and leasehold improvements of \$29,297. These total \$961,875.

Provides Reserve Fund

According to Barron, facilities constructed with the bond issue, are producing sufficient income to pay not only principal and interest on the bonds, but also to provide a reserve that will help pay administrative and maintenance costs.

In addition to the Illinois Terminal, National Marine, Allied Chemical Co. and Dow Chemical Co., clients at the Port District include Economy Boat, Inc., which conducts fleet operations for barge traffic, and A. H. Seibold Co.

Negotiations are underway, Barron said, with prospective clients who are expected to require additional facilities necessitating another bond issue in the near future.

"If operation of the district proceeds according to our present prospects," Barron predicted, "the Port District expects to be completely on its own financially by July 1967 and hopes that after that date it will require no further appropriations by the state."

Expenditure Breakdown

Barron said that of the \$351,440 in state funds spent during the Port District's seven years existence, \$180,223 was disbursed for "contractual" purposes which include the \$122,200 for rental. This account also includes

Such items as office rental, heat, light and services.

Salary and wage expenditures for the period amounted to \$144,432, Barron said. This includes engineering fees, as well as regular salaries. Dow Diamonds Christmas Party

The annual Christmas party of the Dow Diamonds of Dow Chemical Co. was an event of Tuesday evening taking place in the Windsor Room of the Cheshire Inn in St. Louis.

A Christmas buffet supper was served in an old-fashioned setting of red and green, red candles, holly and a decorated tree. Forty-six were present, including the following guests: Ella Climie, Edna Kohlbrecher, Gladys Newman, Elva Schuerger, Ernestine Zimmerman, Rob-in Cumberland, Jane Lawrence, Frances Ogonski, Anna Mae Wetton, Lorraine Hartzel, Ella Webb, Darlene Wenner, Dorothy Avedisian, Gaylene Jacobs, Moran Moore, Alice Hill, Hilda Lombardi, Marge Norwood, Joan Roberts, Laverne Neunzerling, Elizabeth Walke, Louise Scheibel and Lois Roberts.

A program was given after the dinner by Mrs. Lorraine Dugan of Webster Groves, Mo. It was entitled "Around The World With Christmas."

The games prizes went to Al-negra Majors, Ernestine Zimmerman, Sharon Hopper, Beverly Jones, Lorraine Hartzel, Helen Cullip, Ann Gavilski, Donna a Sturdivant, Dorothy Avedisian and Sue Sanasarian.

On the social committee were Ann Wierciak, Betty Smalley and Ann Gavilsky.

FAC Class Holds Holiday Party

The annual pre-holiday party of the F.A.C. class of St. Peter United Church of Christ was held Monday evening in the home of Mrs. Irene Wright, 2240 Benton street, in a Christmas setting of evergreens, candles, and a brightly lighted tree.

Refreshments were in keeping with the season and favors were Christmas candles. Prizes in the games were won by Mrs. Gladys Kadar, Mrs. Freda Bonington, Mrs. Marie Whittle, Mrs. Florence Hadaller and Mrs. Thelma Markgraf, and each one present had a gift for another. Eleven members attended.

The first meeting in the new year will be with Miss Thelma Weissenborn, 1088 Niedringhaus avenue.

GIRLS AUXILIARY HOLDS MEETING

The Intermediate Girls Auxiliary of Suburban Baptist Church met in the home of the co-counselor, Mrs. Lorene Fox, 2008 Sunset drive, Monday evening for the second half and conclusion of the Foreign Mission study book, "Banner Bearers."

With the aid of a chart, maps and written tests, Mrs. Fox taught the girls the living conditions in the "favelas" (slum areas), and introduced recreational activities, including "fute-ball" a game similar to soccer. Those assisting were Debbie Dye, Debbie Fox, and Mrs. Shirley Schwendemann, counselor.

Refreshments were prepared and served by the girls after the study.

RECENT BRIDE: Mrs. Merwyn Sher, the former Barbara Rae Schneider, a daughter of Mr. and Mrs. Sol Schneider of St. Louis county, who was married recently at the Colony Hotel in St. Louis. The bridegroom is a son of Mr. and Mrs. Harry Sher, also of St. Louis county, and a grandson of the late Mr. and Mrs. Herman Cohen, who were residents of Granite City.

Eagles Auxiliary Holds Meeting

The Eagles Auxiliary of Post 1126 met Tuesday evening with Mrs. Ann Konopka presiding.

Reports of the auditor and the ways and means chairman were given by Miss Sylvia Roy and Mrs. Florida Balson.

Mrs. Rinda Brown, the Auxiliary "mother," was escorted and presented with a gift, as was the president, Mrs. Konopka.

Refreshments were served from tables decorated in keeping with the holiday season, and 46 were seated.

Gifts were exchanged, and Mrs. Janet Haganauer received the "white elephant." Another special award went to Mrs. Marge Benner.

The committee in charge included Mrs. Isabel Bozis, Mrs. Mildred Ackors, Mrs. Irene McArdle, Mrs. Caroline Moser and Mrs. Fay Briggs.

Cloverview Club Christmas Party

The Cloverview Garden Club party Tuesday was another pre-holiday event and was held at the Colonial Inn with the president, Mrs. John Jenkins, as hostess.

A 12:30 luncheon was served, followed by an exchange of gift packages. Favors were miniature palaces Christmas lanterns. The history of "The Little Holly Tree" was given by Mrs. Ray Williamson. Other entertainment consisted of games with prizes going to Mrs. V. L. Lisc and Mrs. William Ogden. Others present were Mrs. John Wilson, Mrs. Louise Sedlack, Mrs. B. C. O'Neill, Mrs. William Bradley, Mrs. John Lentz, Mrs. Robert McCauley and Mrs. Leo Roman.

MISS MARILYN McNEILL, a June bride-to-be. Her engagement to Jeff Chaboude, a son of Mr. and Mrs. Glen Chaboude, 2865 State street, is announced by her mother, Mrs. Maurice McNeill, 2157 Monroe street.

Engagement Is Announced

Announcement is made of the engagement of Miss Marilyn McNeill, a daughter of Mrs. Maurice McNeill, 2157 Monroe street, and the late Mr. McNeill, to Jeff Chaboude, whose parents are Mr. and Mrs. Glen Chaboude, 2865 State street.

The news was disclosed at a dinner party in the McNeill home this week.

Miss McNeill is a senior at the Granite City high school. Her fiancé is employed in the purchasing department of the Sears Insurance Co. The wedding of the couple will take place June 25.

St. Mark's PFA Christmas Party

St. Mark's Parents and Friends Association members and guests held a Christmas party and gift exchange Tuesday evening at Tony's restaurant, Mitchell. Mrs. Pat Fields served as chairman for the dinner, served from decorated tables.

Mrs. Marlene Miller, president, announced the PFA will serve refreshments and act as guides at an open house at the new rectory to be held by Rev. Fr. Robert C. McCarthy on Sunday from 2 to 4 p.m.

Attending were Sister Mary Vincent, Sister Marie, Sister Clo-shilde, Miss Marie Evansoff, Miss Rhea Byrnes, Miss Meridel Foley, Miss Catherine Colligan and Mesdames Mary Dixon, Norma Levy, Gloria Kowalski, Pat Cicio, Jeanette Svoboda, Ann Cicio, Lillian Mangi, Josephine Phillips, Tim McGarrahan, Annette Daniels, Helen McGarrahan, Rose Ponca, Pat Bilbrey, Evelyn Tolliver, Vi Bilbrey, Frances Hartman, Charlotte Bilbrey, Mary Herr, Bess Bruder, Mary Miller, Myrtle Fields, Ber-nice Dyer, Gloria Georff, Angeli-na Scaturro, Catherine Svezia, Barbara Burgenner, Mary Svezia, Josephine Schmidt, Hattie Mulnik, Lucia Foley, Irene Ebersold, Mary Donna Scaturro, Dorothy Koelker, Ruth Williams, Barbara Hadley, Naomi Boelling, Florence Durrer, Eva Maurer, Elsie Canner, Ann Hartman and Irene Mangi.

Yule Party for Lesche Club

A group of past presidents of the Eagles Auxiliary were entertained at a Christmas dinner and party Monday evening in the home of Mrs. Ann Hordesky.

Christmas decorations were used and there were favors made by Mrs. Margaret Johnston. Games the prizes went to Mrs. Johnston, Mrs. Rinda Brown and Mrs. Mary Korsag.

Former Venice Resident Visiting Local Relatives

Mrs. Jack (Ruth) Allen of Riverside, Calif., a former 45-year Venice resident, presently is visiting her son and daughter-in-law, Mr. and Mrs. Victor McMurry, 808 Washington avenue, Madison, and her son-in-law and daughter, Mr. and Mrs. Jerome Plantitz, 1417 Fifth street, Madison.

Mrs. Allen, who has lived in California for the past ten years, will spend about a month here. During her stay, she also plans to visit many friends in the Quad-Cities.

Newcomers Club Christmas Party

Forty-five members of the Welcome Wagon Newcomers Club gathered at the Rose Bowl Tuesday evening for their annual Christmas party, a feature of which was a smorgasbord dinner.

Mrs. Peggy Shaeffer was in charge of arrangements for the party which included games and a gift exchange. Angel favors adorned the tables, together with a holly and carnation centerpiece which was used as a prize. A highlight was the presentation of Christmas songs by "The Choraleers," a group from Collinsville, who also led the club in caroling.

FORMER MADISONIAN IS ENGAGED

Another of the pre-holiday engagements announced is that of Miss Wanda Lawrence, a daughter of Mr. and Mrs. Harry Lawrence of Route Two, Edwardsville, and Leo J. Mushill, son of Mr. and Mrs. Joseph Mushill of Bethalto, former residents of Madison. A spring wedding is planned by the couple.

The bride-to-be, a 1964 graduate of Edwardsville high school, is employed in the offices of Bernard and Davidson, attorneys. Mr. Mushill, a seaman apprentice stationed at Key West, Fla., was graduated from Civic Memorial high school in Bethalto.

MORE ABOUT Half-Way Mark

Granite City Business and Professional Women's Club, Utility Workers, Moose Lodge 272 and the Young Republican club members.

Women of the Moose, Chapter 272, will assist in the toy shop project, the SA commander reported. Both the Protestant Welfare and Catholic Charities will continue to take applications for Christmas baskets through tomorrow. It was announced earlier this week. The agencies coordinate requests with the Salvation Army to assure equitable distribution, and each accepts applications with the understanding that baskets can be obtained. Gift baskets from the Girl Scout "Festival of Giving" are donated to the community-wide church representatives, who also provides names of needy families to numerous school, business, social clubs, churches and labor groups which request them.

Neither organization has a separate fund for a Christmas basket program. Additional \$25 contributors are: A. O. Smith Corp.; Cryogenics Division, Granite City Army Depot; Mr. and Mrs. Thomas Harmon; Glik's stores; Mr. and Mrs.

Modern Music Masters To Be Reorganized

The Granite City high school chapter of Modern Music Masters, a national honor society, is being reorganized by current members and their sponsors.

New members are being selected in time for a January installation. Students in the vocal and band departments are eligible if they have maintained a B average scholastically and have an A in music.

Louis Meek, band director, and Warren Simpkins, vocal music director, announced that meetings will be held on the first Monday of each month.

Current members include Leo Nighohossian, Craig Haynes, Debbie Brown, Sharon Koch, Mary Mobley, Grace McCance, Cathy Poiles, Janet Reader, Janice Veizer, Kathy McCalla, Linda Kozar, Carol Rogers, Sheila Gibbs, Sue Merz and Linda West.

More than 200 Southern Illinois University education students are engaged in student teaching in Illinois schools.

Christmas Holiday Starts Wednesday At Most Schools

Classes are scheduled to end on Wednesday for the Christmas holidays in most public schools in the Quad-Cities, but schedule of the holidays remained uncertain in Madison and Venice.

Madison students, who are to be dismissed Wednesday, may have to return to classes on Monday through Thursday of Christmas week, as scheduled. However, the board of education may revise the schedule at its meeting Tuesday night.

John Pier, superintendent of Venice schools, was awaiting word on the office of the county superintendent of schools, on a ruling on the absolute required number of class days during the year before deciding when to close.

Venice students will be off Christmas week, however. The annual Christmas assembly at Granite City high school hand.

FHA to Hold Bake Sale Saturday in GC Stores

The Granite City high school chapter of Future Homemakers of America will hold a bake sale from 9 a.m. to 5:30 p.m. Saturday in local grocery stores.

Cookies, candy, cakes, pies and other pastries will be available. All will be hand-decorated in the Christmas theme.

He will be held during the seventh period Wednesday in the gym.

Students and teachers will sing traditional Christmas carols under the direction of Warren Simpkins, vocal music director.

He will lead his vocal music students in several seasonal selections, and Louis Meek, band director, will lead his band through several Christmas carols.

Registration Continues At YMCA Youth Dept.

Registration for winter classes and activities continues at the YMCA youth department this week and will be closed in a few days, according to David Walker, "Y" youth director who urged interested youths to register before the period ends.

The sign-up so far has been active, he reported, with more than 40 participants having registered so far. The winter session will run through the first week of March.

Activities included for the period are traditional "Y" classes as swim instruction, judo instruction, basketball and acrobatics, with other events as bowling, Christmas handicraft and a youth chorus. Fees are based on single and multiple activity yearly memberships.

Land-locked Southern Illinois University is becoming a leader in education and research for the shallow draft water carrier industry through its Transportation Institute.

LINDA GANTT
Former GC Student Named Junior Miss

Linda Gantt, 17, daughter of Mr. and Mrs. David L. Gantt of Huntsville, Ala., formerly of Granite City, has been crowned as Junior Miss by the Huntsville Junior Chamber of Commerce at an annual pageant held recently.

She will enter state finals to be held in Birmingham in January. National finals will be held in Mobile, Ala., in March. A total of \$54,000 in scholarships will be awarded in the state finals. Miss Gantt is a senior at Lee high school.

468 at SIU-SW Give Blood for Troops in Asia

Southern Illinois University-Southwestern students and staff members contributed a total of 468 pints of blood to the Red Cross during the weekend in support of American troops in Vietnam.

The campaign conducted by several campus organizations was termed as very successful by university officials.

Blood centers were established at the three university centers, with 255 pints donated at the Alton branch, 136 at the main campus and 97 at the East St. Louis branch.

The drive was one of many being conducted on college campuses across the nation to further the effort by American troops in Vietnam, starting as a strong reaction to demonstrations which were conducted against U. S. policy there.

Teen-Age GOP Club Plans More Activity

The Teen-Age Republican Club met Monday evening in the home of the sponsor, Mrs. Vernice Workman, and David Koenig presided in the absence of the president, Kendall Danner.

"What club membership means to me" was discussed by Ricky McAllister, who suggested plans for more activity next year and challenged the members to work harder at becoming responsible citizens. Kirk Danner reported most of the holiday napkins sold.

Mrs. Workman displayed maps and discussed the nation to further the effort by American troops in Vietnam, starting as a strong reaction to demonstrations which were conducted against U. S. policy there.

Two Speech Students Earn Superior Ratings

Debbie Berger and Jack Farrow of Granite City high school received "superior" ratings for individual events at the Wood River Speech Festival held recently.

Others participating were Deb Tatum, Pam Swan, Sharon Robin, Sara Riverburn, Linda Sabo and Gail Schermer. Ron Turner and Connie McGovern accompanied the group as observers.

The school's debate team will enter its second debate of the year Saturday at Wood River. The topic is "Should the Federal Government Prohibit the Requirement of Union Membership as a Condition of Employment?"

Swimming Awards Night Attended by 75 at 'Y'

Swim awards night was held Monday at the YMCA where awards were available to more than 70 youths who successfully completed their instructional courses and advanced to a higher level.

David Walker, "Y" youth director, presided over the informal ceremony attended by about 75 youths and parents. The "Y" youth aquatics program involves seven levels of graduated instruction, plus a swim team, junior and senior life saving and scuba instruction.

Plans are being made for the celebration of Southern Illinois University's centennial in 1969.

Joseph Chu, former chief of protocol to two Chinese presidents, is coordinator of the International Students' Center at Southern Illinois University.

Exams for U. S. Summer Jobs for Students Set

Civil Service examinations for summer jobs with the federal government will be held for students either late in January or early February of 1966, U. S. Sen. Paul H. Douglas announced.

All available jobs will be filled through the examination from applicants at least 18 years of age. Civil Service exams in this area are held in the East St. Louis post office building.

To take the exam, a student must obtain Civil Service Form 5000-AB from his post office or the local office of the Civil Service Commission, and he must complete the form and mail it to the Civil Service Commission, Washington, D. C., 20415, before Jan. 3.

The exam, scheduled to be given only once, is designed to

measure clerical skills, vocabulary, reading comprehension, abstract reasoning and table and chart interpretation.

Sample questions will be provided in advance. Salaries range from \$282 to \$373 per month for office and science assistant jobs. Job titles include clerk, stenographer, typist, office machine operator, student assistant, engineering, physical science, biological and mathematical aid.

Summer jobs to be filled are located in federal installations throughout the U. S. and many are located in the Washington area. The tests take about 2½ hours. Announcement No. 350 gives further information on the program and may be obtained with application form 5000-AB.

Auto Struck from Behind

As a traffic signal turned amber at 23rd street and Madison avenue, Shirley M. Claxton, 3253 Carlson avenue, stopped her car but it was struck from behind by another driven by Lloyd Murphy, St. Louis, who said his attention was distracted and he was unable to stop in time at 6:25 p.m. Tuesday.

Hit-and-Run Accident

An auto owned by Sanford E. Postar, 1914 State street, parked on a lot at the rear of 1904 State street, was struck in the left rear fender by a hit-and-run driver, he reported at 3:25 p.m. Tuesday.

Salvation Army Group Entertains Servicemen

Although busily engaged preparing for next week's distribution of Christmas baskets to needy Quad-City families, 14 adult members of the Salvation Army, along with several Corps Cadets and Girl Scouts, took time out Tuesday evening to visit hospitalized servicemen at Scott Air Force Base.

Cookies and Yuletide gifts were presented to the patients. The local corps members also sang Christmas carols. This evening, a Salvation Army group will visit the Maryville Children's Home and on Sunday will visit elderly patients at the Madison county nursing home.

Two Get 21-Day Terms

Elbert Roberts, 24, and Gerald A. Fitzgerald, 24, both of St. Louis, were sentenced to work for the city for 21 days Tuesday by Magistrate Andreas Matosian on charges of permitting an unauthorized person to drive against Roberts and driving without a license against Fitzgerald. The charges were filed Nov. 22.

8 Girl Scout Leaders Qualified 1st Aiders

Eight Girl Scout leaders from Neighborhood Three and Five completed a five-week standard first aid course Wednesday morning. All intend to continue with further instruction through an advanced class, slated to begin in January.

Classes were held in the home of Mrs. Clete Trachsel, 2849 Iowa street, a Red Cross first aid instructor and a former Girl Scout for 19 years.

Those who will receive certificates are Mrs. Shirley Brown, Mrs. Betty Brooks, Mrs. Mary Earls, Mrs. Alberta Langley, Mrs. Sammie Lowell, Mrs. Helen Patterson, Mrs. Jo Ann Romine and Mrs. Helen Santiago.

Speeding Charge Filed

Louis E. Niemeyer, 3006 Franklin avenue, was arrested at 1:25 a.m. Wednesday on a charge of speeding on Franklin. He was summoned for a hearing by Jan. 5.

City to Put 'Teeth' In Parking Laws

The city of Granite City is to dispel all doubt of parking violation ticket recipients that they are to pay fines.

City Atty. Richard Allen is reviewing the 16-year-old parking meter law with the view to replace the word "may" with "must" and to provide police with authority to issue warrants after a certain period of time has elapsed.

Similar penalty clauses are planned for the city's cover-all ordinance for non-moving traffic violations which permit a motorist to pay fines at the police station without going into court.

Police Chief Willard, with the support of Mayor Parny, requested the review of the city's parking restriction ordinances.

Liquor Store Not Cited

Louis Norberg, proprietor of the Red Crown Liquor store, 312 Madison avenue, advised the Press-Record Tuesday his firm had not been cited to appear before the Illinois Liquor Commission on Monday. Norberg said arrangements satisfactory to the state had been made for payment of state sales tax.

Girl, 13, Takes Aspirin

A Granite City girl, 13, was taken by ambulance to St. Elizabeth Hospital at 8:45 p.m. Tuesday after attempting to drink a glass of water containing 36 dissolved aspirins. She told police she was unable to drink all of it, but gave no reason for trying.

Woman Takes 90 Tablets

Mrs. Mary Nance, 25, of 2010 Fourteenth street, received a stomach lavage at St. Elizabeth Hospital at 2:50 p.m. Tuesday after taking 90 pain tablets. She told police she had called two relatives and told them she had taken the tablets.

hope they will realize how much it can mean to our community.

"Painless Financing"
James G. Holland, president of the Holland Asphalt Paving Co., "The Granite City Park Board has had my admiration for many years because of the tremendous job they have done in making our park system one of the best—not just in the state, but in the nation."

"The skating rink and recreation center will be a great step forward. These facilities are much needed and will be a fine asset to our entire area."

"The Park Board, in keeping with its policy of providing things that the people need and want, has done a fine job in studying this proposal. They have come up with a realistic approach and an almost painless way of financing."

"December 16 is the day for all of us to get out to the vote and make sure that this wonderful addition to our community will be a reality."

"There is so much enthusiasm and hard work by so many people in our community that I'm sure the voters will approve the bond issue."

Jaycee President
James V. Burton, president of the Granite City Jaycees, "It's again that time when we must go to the polls, so let's pause for a minute and consider what we are voting for. If our only purpose for voting would be to prevent a tax raise, then we could be making a selfish or short-sighted decision."

"The real issue is not of a political nature. It has to do with the youth of our community."

"As in the Jaycees, working for our youth should be of primary importance to each and every one of us. The statement that there is no greater investment than investment in the youth of our community bears great truth."

"In addition, this structure will provide a much-needed meeting place for civic and club affairs during the summer months."

"This recreation center and ice rink can be a real asset to this city, one which people from communities near and far will come to observe and admire."

"Coming from a northern state where skating is a major sport for youngsters from four years old and up, I can fully realize the happiness this rink can bring to our young people."

Urging Friends to Vote
Attorney Irvin Slane: "I am urging friends to vote 'Yes' on the Wilson Park ice skating rink and recreation center. The Dec. 18 election will provide an opportunity to vote favorably on a beautiful and useful addition to our community."

"The recreation center can provide culture and recreation for each family, beautiful winter sports, an attractive place for large or small public gatherings and a local, year-round leisure-hour entertainment center."

Rev. James Craddock, pastor of Central Christian Church: "I'm definitely in favor of it. I feel it will be a real asset to the community because it will add to the variety of activities available to both youngsters and adults."

Supported by Aldermen
Seventh Ward Alderman G. H. Sternberg: "Construction of the rink and recreation center would be a positive move forward for Granite City. The park program is going year-round for all ages."

Sixth Ward Alderman Richard Fry: "The park district has gained statewide recognition for its outstanding program and ac-

\$1060 Fire Damage To House on Miracle

Damage totaled \$1060 to a one-story frame house occupied by Ronald Craycraft, 2205 Miracle avenue, as an oil furnace in the utility room overheated. Granite City firemen responded to the call in the unincorporated area. Damage included \$260 to the contents and \$800 to the building, owned by the Judd Real Estate Agency. There was some damage throughout the house.

activities. The rink and recreation center would benefit all persons, not just those of one or two wards."

Fourth Ward Alderman Paul Rutledge: "I think this program should be approved, and I don't see why anyone would oppose a project that would benefit the entire city."

Third Ward Alderman Clyde Boyd: "I hope it carries."

Fourth Ward Alderman Claude Green: "I'm wholeheartedly for this. Granite City will be a better place in which to live with such facilities."

Chamber, Optimists, Kiwanis
Carl E. Mathias, service area manager of Illinois Power Co. and president of the Tri-Cities Chamber of Commerce: "I'm very enthusiastic about the rink and recreation center. It's a wonderful project, and is worthy of active public support."

George England, Twilight Optimist president: "The proposed structure will seat an estimated 3500 persons, making it available for many large gatherings when a meeting place of substantial size is necessary. Even small political meetings could be held at the center, making Granite City a convention town."

Herbert R. Schannott, Granite City Kiwanis president: "This building will provide not only a needed recreation area for our young people, but a site for civic functions and a wide variety of worthwhile community activities."

Labor Council President
Edwin F. Reiske, president of the Tri-City Trades and Labor Council, AFL-CIO: "This will be an asset to our community which needs more of such types of development for the young people. It's a good thing, and it's been needed here for a long time."

It's a good thing, and it's been needed here for a long time. It's a good thing, and it's been needed here for a long time. It's a good thing, and it's been needed here for a long time."

Emerald Daves, local barber, former Eighth Ward alderman and president of the Boosters of the Fighting Warriors club: "I am a thousand per cent behind the project."

It would be an excellent addition to the community, not only from the standpoint of providing a winter sports center and year-round recreation center, but in house many other civic functions and large assemblies."

Tom Morrison, head football coach and head track coach at Granite City high school: "This is a community which is athletically minded, and this is a town whose residents are boosters of constructive projects. I hope we will all get out and boost the ice rink and recreation center. It would be a great thing for the entire community."

NITE 'TIL **8:30**
P.M.

The last six months have been among the busiest in our 51 year history. Business has been good; it has been so good that we have already repched our profit quota for 1965. Most of any extra profit we make now would be paid out in taxes. Therefore, we've slashed prices throughout the store with only 3 things in mind:

1. We want to show our appreciation to our customers and friends in the Quad-City area for making this the greatest year in our history by offering them an opportunity to buy all their Christmas gifts at 'After Christmas' prices.

2. We want to reduce our overstock now instead of waiting 'til after Christmas.

3. We want to open up 500 new accounts before the end of the year.

Therefore, we've marked down all merchandise, some as much as 30% to 60%, just as if it were after Christmas already but, you can still have it delivered in time for Christmas.

SOCIETY

Macedonian Group Party

Mrs. John Kirchoff, 48, Janday lane, entertained the Macedonian patriotic organization, Bashin Kral, at a party in her home this week.

After a business meeting, an exchange of gifts was held. Special prizes and gifts were donated by Mrs. D. L. Kacaleff of Madison, the proceeds designated to the use of the Macedonian Tribune in Indianapolis, Ind.

Films of scenes in Europe were shown by Steve Johnson of St. Louis, whose recent tour included England, France, Bulgaria and Macedonia.

A candlelit buffet with traditional holiday appointments was served to Mr. and Mrs. Mike Elitoff, Mr. and Mrs. Mike Andria, Mr. and Mrs. Tony Pitts, Mr. and Mrs. Tom Georgeff, Mrs. John Natselleff, Miss Eve Loman, Mr. and Mrs. Kirchoff, Mrs. Louis Palechoff, Mrs. D. L. Kacaleff, Mr. and Mrs. Theodore Tshoukaleff, Mrs. James Tshoukaleff of Alton, Mr. and Mrs. Mike Durnoff, Mr. and Mrs. James Minchiff and daughter, Stephanie, of Belleville, Mr. and Mrs. Chris Anastosoff, Miss Rose George, Mr. and Mrs. Steve Johnson and Mrs. Steve Mathe Mayer of St. Louis.

Golden Circle Elects Officers

The Golden Circle Club of Kirkpatrick-Homes met Tuesday with 32 members electing new officers as follows: Mrs. Ellen Christy, president; Mrs. Pearl Giffin, vice-president; Archie Delmar, treasurer; and Mrs. Nettie Coons, secretary.

Plans were made for the annual Christmas and New Year's party, instead of the usual no-nut dinner. Gifts of not more than \$1 will be exchanged and there will be games. Coffee and cake will be served.

Yule Party at Stuart Home

An event of Tuesday was the Christmas party for the Lesche Literary Club in the home of Mrs. James Stuart, 3711 Nankook road.

Seasonal decorations were used and a luncheon was served at tables covered with pink cloths and holding greens, sleighs and other holiday reminders.

There was a gift exchange and a program which included appropriate poems read by Mrs. Walter Coolidge, Carols were sung led by Mrs. George Holzschner, accompanied at the organ by Mrs. Russell West.

Nineteen were present and Mrs. T. W. Kelo, who was instrumental in organizing the club 25 years ago, was made an honorary member.

Mrs. Kipling Pellet is president, and serving on the program committee were Mesdames Rex Niles, chairman, the hostess, Mrs. Clyde Lester, Mrs. Eugene Schipper and Mrs. Sam Meyer.

Hilltoppers Hear World Traveler

"The Hilltoppers," a newly-organized fellowship group at St. John United Church of Christ, held a pot luck dinner and business meeting Tuesday evening in Fellowship Hall of the church.

After a short devotional service, there was carol singing, followed by slides of Hawaii, Japan, Hongkong, Vietnam and Thailand shown by world traveler Harry Johnson, former postmaster in Madison, accompanied by Mrs. Johnson. Johnson related experiences, such as typhoons and sand storms.

He also explained how the natives of some of the countries are trying to become more like Americans through operations to change their features and by bleaching their skins. While traveling Mr. Johnson spoke to U.S. gifts received from the natives. Mrs. Johnson displayed souvenirs.

About 40 persons attended the meeting.

DEMO COMMITTEEWOMEN HONOR MRS. WALKER

Granite City Democratic committeewomen held their annual Christmas party Monday evening at Ralph and Charlie's in Madison.

Mrs. Sue Lewis, vice-president, honored Mrs. Alice Walker, president, with a Christmas gift from the group for her past work.

Games were played and prizes were awarded to Mrs. Kitty Kunkamp, Mrs. Lewis and Mrs. Mary Yoboy. A gift exchange was held. Hostesses were Mrs. Ebel Zimmer and Mrs. Norma Jackson.

Others attending were Mesdames Julia Pansovsky, Agnes Baranica, Vera LeMaster, Nadine Frith, Sara Stover, Helen Christich, Rhea Groves, Julia Lancaster, Mary Boring, Bernie Hagauer and Lois Weeks. The next meeting will be in January.

DEACONESSES ELECT OFFICERS AT PARTY

Seventeen Deaconesses of First United Presbyterian Church were present last night at the Christmas dinner and business meeting of the group in the social rooms of the church and packed 70 cheer boxes for Christmas distribution.

Rev. Dr. David Maxton gave the meditation and Mrs. Vivienne Danco presided during a business hour.

Nominations were presented by the committee and the officers elected were: Mrs. June Cuchna, president; and Mrs. Beryl Nyboer, secretary.

WASHINGTON PTA SEES PUPIL YULE PROGRAM

Sixth grade classes presented a Christmas program to the Washington PTA Monday night, with Mrs. June Branding in charge, assisted by sixth grade teachers and Principal Fred Neeth.

The PTA decided to buy artificial Christmas trees for the school this year, avoiding a possible fire hazard. A prize was awarded to Mrs. Josephine Jung, and Noth offered prayer. Cake, coffee and milk were served to 200.

GC Jr. Service Holiday Dinner

The Granite City Junior Service Club Christmas dinner party took place Monday evening at Chester Inn. Games were led by Mrs. June Della Pauly, president, received reports from Mrs. Rena James and Mrs. Candy Kunkamp, who said three children were given eye examinations and clothing was purchased for a needy family. Mrs. Bernice Fitzgibbon announced a style show March 31 at Granite City high school.

Baskets will be distributed Sunday to needy families by Mrs. James, Christmas project chairman, and her committee, Miss Kathy Obachina and Mesdames Audrey Jaro, Helen Gieselman and Margaret Kerhoff.

Gifts will be presented to Anchorage residents Dec. 20 and the club will be going through the area at that time.

Mrs. Della Pauly, sponsor of the club, was present as well as four inactive members, Mrs. Lorraine Schischel, Mrs. Betty Jo Kozar, Mrs. Olga McMurray and Miss Grace Costello. Probable members present were Mesdames Genevieve Bergman, Sandra Woolley, Wilma Edgington, Kay Reel, Billie Schuler, Dorothy Schuler, Carol Shaw, Evelyn Todd and Gladys Wagner.

Active members present included Mesdames Eva Burns, Bernice Fitzpatrick, Peggy Komandina, Louise Kovar, Fay Krause, Evelyn Morris, Vivian Vaughn and Jean Ann Vrenick and Misses Flora Mae Lensing and Diana Vartan.

Santa Visits St. Mary's PTA

Awards Dinner for Women Employees of GC Steel Co.

SOCIETY

Etude Club

Holds Yule Party

The home of Mrs. Stanley Young, 1704 Garfield avenue, was the place of meeting last night for the Evening Etude Music Club. Mrs. Edward Ferguson and Miss Jane Hillman were co-hostesses.

After a business session conducted by Miss Elsie Mayhew, Mrs. Nelson Hediger presented Mrs. Young, who read a paper, the story of Handel's Messiah. A trio composed of Mrs. Hediger, Mrs. Clem Rohan and Mrs. James Harsh sang two songs.

Games were played and there was a gift exchange and Christmas cards led by Miss Hillman at the piano and Mrs. Hediger at the organ.

Others present were Mrs. John Denon, Miss Rosemary Kaburack, Mrs. Veri Lewis, and Mrs. William Ledbetter. Miss Kaburack will be hostess at the Jan. 19 meeting.

American Steel

Women's Party

A Christmas party for women employees of the American Steel Foundries was given by A. P. Steinhilber, works manager, Tuesday evening.

Those attending were Helen Broadway, Mary Meyer, Bobette Phillips, Margaret West, Bernadine Asperger, Linda McCoy, Lucille Rolka, Jane Lux, Ada Thomas, Helen Polley, Amy Wykes, Sandra Maxwell, Mildred Johnson, Marie Hoekstra, Dorothy Belleville, Margaret Fitzgerald, Maria Lawrence, Kathleen McFarland, Gloria Kauble, Ella Hoelscher, Beverly Tisdell, Barbara Thompson and Helen Gilligan.

Gifts were exchanged by the group after the meal served in a holiday setting.

New PEO Chapter

Holds Meeting

Chapter KU, newly organized chapter of P.E.O., met Tuesday evening in the home of Mrs. Elizabeth Reu, 3241 Wilshire drive.

Fifteen were present, including a guest, Mrs. Joyce Walters of chapter HT, and after a business discussion a program in keeping with the Christmas season was given by Mrs. Alice Sackett. There was also a gift exchange among the group, followed by a tea.

The chapter will meet Jan. 11 with Miss Nell Carr, 2708 Harvey place.

Mrs. Argelan

Is Club Hostess

Mrs. Irene Argelan was hostess to her card club at a Christmas party Tuesday evening.

After a dinner at the Rose Bowl the group went to the Argelan home.

The Christmas theme was used and there was a Santa Claus gift exchange. Prizes in games were won by Mrs. Della Hagan, Mrs. Gertrude Fleming, Mrs. Agnes Schwarzkopf, Mrs. Martha Bowman and the hostess.

Others present were Mrs. Virginia Unfried, a guest, Mrs. Leona Parente, Mrs. Kathryn Johnson and Mrs. Grace Hemrich.

The annual Christmas party and awards dinner of the Granite City Steel Co., was held last night in the Mayan Room of the Bel Air Hotel, St. Louis, with approximately 25 executives of the company and 150 women employees present.

Mrs. Marilyn Hasty served as party chairman, and Mrs. Ruth Rami was mistress of ceremonies.

The awards, presented by Nicholas P. Veeder, president of the company and chairman of the board, went to the following:

Mrs. Mabel Deitz and Mrs. Lela Johnson, 40 years; Mrs. Elsie Hawk, 25 years; Mrs. Louise Lakin, Mrs. Dorothy Lionberger and Mrs. Doris Thompson, 15 years; Mrs. Helene Bluchfeld, Miss Betty Bucatch, Mrs. Mary Foster, Mrs. Elsie Elliott (Minneapolis office), Mrs. Mildred Hess, Mrs. Jean Knick, Mrs. Wilma Manogian, Mrs. Evelyn Maxwell, Mrs. Gladys McAnish, Mrs. Carol Roboff, Mrs. Jacquie Rains, Mrs. Mary Self and Mrs. Bernice Taton, 10 years.

COMMITTEEWOMEN YULE LUNCHEON HELD HERE

Madison County Democratic committeewomen held a Christmas luncheon Tuesday evening at the VFW.

Mrs. Adelaide Wright, county chairman, welcomed and introduced guest speakers, Cong. George Shipley, State Senator Bill Lyons and Paul Simon, Miss Eulalia Hotz, James Chapman, Mrs. Ida Dant, state central committeewoman and county secretary, Rep. and Mrs. Lloyd C. Harris, Carl Buehler, William Warfield, Paul Stover and John Windmeier.

The hall was decorated for Christmas by Mrs. Alice McGee. Luncheon was served to those named and about 100 others by Mesdames Alice Walker, McGee, Agnes Barunica, Mary Yohly, Vera LeMaster, Sara Stover, Helen Christich, Rhea Groves, Norma Jackson, Ethel Zimmer and Lois Weeks.

Past Regents

Hold Yule Dinner

The past regents of the Women of the Moose, Chapter 247, met last night at the Roke Bowl for dinner and a Christmas party, an annual event.

Those attending were Mrs. Emma Laird, Mrs. Iris Chastain, Mrs. Virginia Severs, Mrs. Marie Hampton, Mrs. Jennie Mills, Mrs. Marian Lipscomb, Mrs. Margaret Noonan, Mrs. Rose Halbert, Mrs. Margaret Fronzberger, Mrs. Neva Werth and Mrs. Lulu Gundlach.

After the meal the group held the usual exchange of holiday gifts.

Singing Program

Planned Monday

A community sing will be held Monday at 7:30 p.m. at the Anchorage Recreation Center.

The program will be presented in two parts, religious music of Christmas, and secular music. Many special numbers are planned, including solos by Mrs. Jean Branding, Stephen Krotz, Gene Nelson, Milton Allen and others. A surprise is for those attending.

Mrs. Bessie Morgan Reese will be directing with Mrs. Russell West as accompanist. An invitation is extended to the public to attend.

CHRISTMAS PLAY SUNDAY

A play, "A Star Too Far," will be given at 7:30 p.m. Sunday at the Pontoon Baptist Church by Mrs. Marvel Walker, Miss Vickie Eaton, Paul Stayduhar, Harold McBride, David McBride and a Glenn Falter.

Trash Fire in Alley

Firemen answered a call to 2709 Buxton avenue at 6:30 p.m. Wednesday when trash was burning in the alley. No damage was reported.

MRS. DOROTHY AMMUNDSON

Mrs. Ammundson, 46, Dies in Wisconsin

Mrs. Dorothy (Pinney) Ammundson, 46, of Superior, Wis., former Granite Cityan, died at her home about 5:15 p.m. Wednesday. She had been in ill health two years.

Mrs. Ammundson, a registered nurse, was graduated at Sacred Heart, Granite City high school and St. John's Hospital school of nursing. She moved to Superior after her marriage in 1947 to William Ammundson, owner of a plastics manufacturing firm there.

She is survived by her husband; two sons, Niles and John; a daughter, Jane; her mother, Mrs. Fannie Pinney of Granite City; two brothers, Bernard Pinney of Granite City and Niles Pinney of San Bruno, Calif.; and two sisters, Mrs. Ralph (Mary) Elliott of Granite City and Mrs. Gene (Margaret) Nelson of University City, Mo.

Funeral services will be held Friday at Superior.

Strikers Getting

\$85,124 Vacation Pay from US&R Co.

The Union Striker & Refining Co. has distributed checks totaling \$85,124 to striking union employees in payment of "vacation" time due them during the summer months, it was learned by the Press-Record today.

The checks were issued to 325 employees, members of the striking Oil, Chemical and Atomic Workers Union, Local 7-663, who had not yet received paid vacations at the time the union members went on strike last July 4. Approximately 420 employees are on strike, but some of these had received their vacation time and pay prior to July 4.

A company spokesman said the payment was "entirely voluntary" on the part of the company, and was made "so that these employees would have the money during the Christmas season."

The checks, varying in amount for vacation periods ranging from one to five weeks, were distributed by registered mail.

Mrs. Nelle Warfield

Dies in California

Mrs. Nelle E. (Flynn) Warfield, 68, of 2613 Pontoon road, 25-year resident of Granite City, died at 5:30 a.m. today at St. Agnes Hospital, Fresno, Calif., where she had been a patient for a few hours.

Mrs. Warfield apparently suffered a cerebral hemorrhage last evening while viewing television at the home of her granddaughter, Mrs. Richard (Diana) Faltner, with whom she had been visiting for the past five weeks. Previously she had been under medical care for a heart condition.

She was born in Nobel, Ill., and was a member of St. Elizabeth's Catholic Church. Her husband, Clyde, died in 1960.

Besides her granddaughter, she is survived by a daughter, Mrs. William (Grace) Hoedebecke of the Pontoon road address; two sisters, Mrs. J. P. Warden of St. Louis and Mrs. George Cashel of Fort Lauderdale, Fla.; and two great-grandchildren.

Funeral arrangements are given in today's obituary column.

Elks Create Committee

On Crippled Children

Elks Lodge 1063 Tuesday night created a five-member committee to supervise its extensive crippled children's program. Appointments are to be made by Exalted Ruler James Kenney.

Plans call for the unit to include the ruler, three past exalted rulers and a fifth member. Walter Reese, chairman for many years, will become chairman emeritus.

BETA PHI CHAPTER

CHRISTMAS PARTY

Members of Beta Phi Chapter of Epsilon Sigma Alpha sorority held a Christmas dinner party last night at the Carriage House in Belleville.

"Secret Pals" exchanged gifts, and there were games with prizes going to Sandy Cavar, Mary Ann Pare and Donna Theis. Others attending were Linda Giger, Alyce Sigite, Judy Dyer, Kathy Dohal, Carolyn Smith, Linette Cagle, Millie Clements, Shirley Long, Gerry Mendez, Mary Jo Hein, Betty Dick, Charlotte Biltrey and Shirley Claxton.

WMS CHRISTMAS PARTY
Mrs. Barbara Hesselden, 2917 Edgewood avenue, entertained the Good Shepherd EUB Church Women's Missionary Society Monday night in her decorated home for a Christmas party and gift exchange. Secret pal names were revealed and an auction was held.

Mrs. Jane Corbett led the devotional and new names were chosen. Refreshments were served. Others present were Mesdames Faye Burke, Jessie Drury, Jean Thompson, Katy Walters, Wanda Sherman, Roberta Gardner, Josephine Matthews, Mary Ivie and Virginia Rainwater. The January meeting will be at the home of Mrs. Corbett, 2933 Dogwood drive.

Sixth graders will present a Christmas program at 7:30 tonight to the Wilson school PTA. The public is invited.

CIRCLE YULE PARTY
Mrs. Alta Mae Cockrell led a program on "My Church Telling and Sending," with Mesdames Norma DeVault, Rose Lux, Ruth Bunker, Helen Peterson, Ruby McFalls and Bonnie Haldeman participating, for the Suburban Baptist Delilah Jones circle Tuesday night at the home of Mrs. Lucy Stewart, 3200 Wabash avenue.

Mrs. Leona Fisher offered prayer and Mrs. Peterson, chairman, presided. Mrs. Bunker gave a report and the group sang "Silent Night."

A poinsettia plant was given to a shut-in, and the Lottie Moon fund is to be aided at Christmas. A hymn was followed by a social hour, with refreshments served. Others present were Mesdames Jean Fisher, Hattie Pryor and Shirley Schwendemann.

Mrs. Pryor, 2712 Ferguson avenue, will be the January hostess.

Christmas carols opened Monday night's Calvary Baptist Homemakers class meeting at the home of Mrs. Bernice Snider, 3117 Willow avenue. Mrs. Esther Showers read a St. Luke devotional and gave prayer, and Mrs. Ida Kilmer presided.

A foreign mission Christmas offering was made and shut-ins were aided. A social hour and gift exchange were held. Others present were Mesdames Edith Harris, Lois Bradford, Lucille Cahill, Geraldine Brooks, Ruth Youngman, Bronie Ricks, Margaret Lowe, Agnes Kearns and Grace Holtzley. Misses Jennifer and Dee Snider, Mrs. Love, Rev. Showers and Rev. Snider.

Bomb Scare Empires Wood River Hospital

Members of the 50th Ordinance Bomb Disposal Squad at the Granite City Army Depot made a fourth trip in a little over a week to the Alton-Wood River area Tuesday evening to search for a bomb. This time the bomb was at Wood River Township Hospital where 71 patients were evacuated to other hospitals in that area.

One patient was unconscious and in the process of receiving a blood transfusion when transferred by ambulance. The hospital staff, performing under emergency drill orders, was praised for its efficient evacuation.

The threatening call was received at 4:30 p.m. and a male voice told the hospital switchboard operator the bomb would go off between 6 and 8 p.m. The depot squad began its floor-by-floor search at 5 p.m. No bomb was found. Similar bomb threats were received twice at the Alton State Hospital last week, and there also was a bomb scare at a downtown Alton store last week.

Children's Christmas Party at Legion Sunday

Tri-City Post 113 of the American Legion completed plans for its annual Christmas party for children to be held at 1:30 p.m. Sunday at the post home during a meeting Tuesday night.

Entertainment will be provided, and Santa Claus will distribute gifts.

Plans also were made for the post's annual New Year's eve party. An orchestra will play for dancing and food and refreshments, in addition to noisemakers, will be available.

The post ordered its charter drapes for 30 days in memory of Edward Hommert, a member, who died recently. A moment of silence was observed during the meeting.

"Operation Show Your Colors" cards and small metal American flags are now being distributed by Legionnaires.

Members voted contributions of \$25 to the Salvation Army Tree of Lights and \$10 each to the children's hospital at Normal, to hospitalized war veterans and to veterans at the Alton State Hospital.

grievance procedure remain as it is in the present contract. The union has been demanding voluntary arbitration, Austin said, to eliminate a series of steps at company levels through which grievances now must pass. He said today that the mat-

ter of craft realignment—major also would mean that production stumbling block to settlement of the strike—remain the principal work ordinarily done by various objectionable issue in the new crafts.

"The proposal to conduct an apprenticeship training program is to the company's advantage in job reallocation," Austin said. Company officials declined to comment on the new offer pending consideration by the membership in tonight's meeting.

growth along Route 111, Supt. Johnson said.

Board members began a study of a nationally-discussed proposal under which the federal government would control of education provide Christmas baskets and toys for needy area families by attending a 2½-hour matinee at 10:30 a.m. Saturday, in the Washington Theatre. Doors will open at 9:30 a.m. Admission for the ten cartons and full-length cartoons.

Toy or Food Donation Gets Child in Matinee

Quadrant youngsters are invited to help the Salvation Army's "Tree of Lights" campaign provide Christmas baskets and toys for needy area families by attending a 2½-hour matinee at 10:30 a.m. Saturday, in the Washington Theatre. Doors will open at 9:30 a.m. Admission for the ten cartons and full-length cartoons.

Yellow blooms on a bush that normally blooms only at Easter were reported yesterday in her yard by Mrs. Joe Summers, 2825 Dale avenue.

CHRISTMAS LIGHTS Target of Thieves

Outdoor Christmas decorations became the target of thieves this week as three separate cases were among eight thefts and burglaries reported to Quad-City authorities this week. Weapons were stolen in a house burglary, and a railroad trailer was loaded.

Mrs. Ruth Land, 2457 Missouri avenue, reported at 8:20 a.m. Tuesday that two strands of Christmas tree lights and homemade decorations were stolen from evergreens in her front yard during the night.

John Summers, 2405 Wilson avenue, reported at 10:55 p.m. Tuesday that outdoor Christmas light bulbs were stolen from the side of his house after 8 p.m.

Senior Recreation Club Planned at Park Rink

The ice skating rink-recreation center to be voted on Saturday would be ideal for a "senior recreation club" for Granite City's aged 50 and over, a park district spokesman pointed out today.

Plans call for winter luncheon meetings in the 500-foot-square "warming room," with all Granite City senior citizen groups invited to joint "senior citizen days" at the mid-city location during the spring and summer.

County Officials Overlook \$340,000 Item in New Budget

The proposed Madison county budget of \$3,367,328 was boosted another \$340,000 this week after county officials noticed that a new budget item was overlooked.

The addition brings the new tentative budget to a new record of \$3,707,328 which is due for adoption at a next Wednesday's meeting of the county board of supervisors in Edwardsville.

The tentative budget failed to include a special "federal aid matching fund" appropriation, for which a special tax levy was authorized by the county board at its November meeting.

The mistake will not affect the county general fund section of the budget, which is expected to be out of balance by \$68,000. The \$340,000 special tax levy is to be matched by federal funds for payment of expenses for engineering and right-of-way costs, utility relocations and the county's share of construction of highways in the federal aid primary or secondary network.

Venice Lions Donate To Yule Basket Fund

Robert Heagy was introduced as a new member at a Venice Lions club dinner meeting Monday evening at the Elks club. James Miller, president, conducted the business session and donations were made to the Venice Crippled Children's Organization and the Salvation Army Tree of Lights Christmas basket fund.

George Sawchak, a representative of a St. Louis brokerage firm showed a film, followed by a talk on investments. A question-and-answer period was held. The next meeting will be Jan. 10.

REBEKAH ELECTION
An election of officers was held Tuesday evening by Delray 788 Rebekah members at the Odd Fellows hall, Madison.

Mrs. Louise Ebersold, noble grand, presided and Mrs. Erma Graves was elected as noble grand; Mrs. Theima Stockton, vice-grand; Mrs. Estella McBrien, recording secretary; Mrs. Ruth Hannebrink, financial secretary; and Miss Margaret Brown, treasurer. Trustees will be Mrs. Verna Willman, Mrs. Virginia Galt, Mrs. Eva Clemmons, Mrs. Leo Salmon and Mrs. Catherine Okai.

"Past noble grand night" was observed with Mrs. Clemmons, so joist, singing to each past noble grand. They were escorted to Mrs. Ebersold, who presented each with a gift. Those honored were Mesdames Mary Connolly, Althea Gray, Minnie Perry, Ruth Hannebrink, Lucille Vesich, Leora Rogers, Edna Foster, McBrien, Galt, Chloe Maxon and Verna Willman and Miss Margaret Brown.

Mrs. Stockton, Mrs. Leo Salmon, Mrs. Betty Barnett, Mrs. Katie Barks, Mrs. Eva Clemmons and Mrs. Lela Kuwala decorated the dining room with poinsettias, Christmas trees and ornaments and served cake and coffee to 21 members and a guest, Mrs. Agnes Meng of Granite City.

The Christmas party with a gift exchange and quarterly birthday observance will be held at the hall Dec. 28.

Federal Food Stamp Program Starts Today

The federal food stamp program started today throughout Madison county, and locally the stamps may be purchased at either the First Granite City National Bank or the First National Bank in Madison.

Purchase of the stamps at the two local banks is only temporary and will continue to Dec. 31, and then next month the county office of the Illinois Public Aid Commission will set up food stamp sales centers at either one or at several locations in the county.

Under the stamp program, which is for public aid recipients and other low income families not now on public aid, and also for persons getting general assistance (direct relief) are receiving their new stamp checks and disbursement orders from the township relief offices. Pensioners, aid to dependent children clients and others are receiving their checks from the county public aid office.

The plan is to insure more widespread purchase of food necessities and will increase food allotments for all public aid clients.

Chanukah Observance Starts on Saturday

Chanukah, the Jewish holiday season, will begin Dec. 18 and continue to Dec. 25. Also known as "The Feast of Lights," the observance commemorates the struggle of the Jews for freedom from the tyranny of the Syrian King, Antiochus, in 168 A.D. The legend is that one cruse of oil escaped the defiling of the temple, and though it appeared to be only enough for one day, it lasted for eight days. In homes, temples and synagogues, the Chanukah candles are lighted for eight nights.

Jewish children receive gifts during Chanukah, and special worship services and social events are held.

MORE ABOUT Rink Election

improve the already extensive recreation program.

Park officials have stressed that it will not mar the beauty or usefulness of Wilson Park, but leave inadequate space for other park activities. Its "no frills" design includes much wood, and it is intended to blend with the natural setting of trees and shrubs.

"The plan to make it fully available to Granite Cityans and Granite City organizations, and are confident that it will be put to good use virtually every day in the year," President Loman said following adoption of the resolution calling Saturday's special election.

"The 115x205-foot concrete surface in the covered pavilion, together with the 500-square-foot warming room and concession building and the 57x40-foot paved patio area, will be suitable for concerts, square dances, gymnastics, theatrical presentations, sports exhibitions, flower shows, conventions, festivals and meetings of all kinds.

Spectator Protected

"In cold weather, it will provide an 800-foot rink with weather protection for spectators on all four sides. The roof will protect skaters from wind, rain, and snow so they can enjoy an ideal skating surface every day for four or five months of the year.

"We think the recreation center and rink will be beautiful and an asset to our community, but there are no frills and not a penny will be wasted. Just as in all other portions of the park system, economy is being given our full attention.

"Through retiring the bonds in ten years rather than 20 years, the public will be saved \$100,000 in interest," Loman said.

3 1/2% Interest Expected

Estimated interest rate on the general obligation bonds is 3 1/2%. There is no existing park debt.

A return "profit" is expected to be the recreation center's role in helping Granite City keep pace with other communities, aiding in retaining present residents and attracting new residents and economic growth.

Consensus of the board and citizens' committee has been described as "support for the project because of its reasonable cost and because it can round out the recreational facilities offered in this area. It recognizes Granite Cityans' desire for a first-class community...one that is on a par with or ahead of other communities competing for growth and prosperity."

Scattered opposition has developed, but the public reaction to the proposal generally has been favorable. Numerous organizations have endorsed "Yes" votes, some of them taking the action unanimously.

street for the industrial area there and also adjacent to the new industrial park. The report was referred to the city engineer. The council approved a request by the city of Venice to connect 200 lineal feet of an eight-inch sewer line to the Madison sanitary sewer between Madison avenue and State, Market and Second streets.

The mayor said it will serve only three houses and one business and the added sewage would be negligible. He said it will eliminate a potential health hazard to both cities.

provided he has insurance and will fill in the basement. Second low bidder was the A. H. Seebold Co. at \$925, but his bid did not specify a basement fill. The third bidder was the Wilbur Waggoner Co. at \$1050.

Waggoner submitted the low bid of \$575 to raze the Herman Kaimann property at 1023 Reynolds street, including basement fill. Seebold bid \$884. The work is to be done after the Christmas holidays.

Ray Kowalek, Third Ward alderman, reported a drive is to be conducted against dilapidated and stripped autos which are left or stored in a dangerous condition in the city.

The council appointed Christ Pashoff, city health officer, as a special policeman for the rest of the fiscal year to provide enforcement powers in performing his duties. A \$2000 property bond signed by his brother, Louis Pashoff, was forfeited, and curtilains valued at \$72 were also given away.

the retiring president, was in charge. Mrs. Whittle, secretary, reported a total of 37 cases involving 134 persons helped during the month of November. Of this number 14 were new cases, five were recurrent, and 18 incidental. Referrals were made by citizens, ministers, Granite City and Venice Relief offices, a Union Auxiliary, the United Fund and an alderman. Thirty-three orders were issued with relief distribution as follows: Food, \$362; Medical, \$47; New shoes and clothing, \$38; Utilities, \$70; and Rent, \$12.

Mr. and Mrs. John Jarvis, 2101 Clark avenue, entertained with a party early this week in honor of their daughter, Peggy Ann, on her 13th birthday.

The basement of the Jaros home was decorated in keeping with the Christmas season and refreshments were served. Games and dancing were enjoyed.

Attending were George Smith, Valerie Harlow, Bobby Markarian, Diane Harper, Sherry Graham, Carol Volkmar, Pam Peters, Cindy Missey, Nancy Munster, Prima Noth, Kandy Fuller, Mark Rippey, Mike Loftus, Tim Donnie Noth, Hank Henderson, Moore, Scott Wilson, Phil Davis, Brian Huff and Charles Riverburgh.

BROWNIES TAKE GIFT TO MENTAL HEALTH CENTER

Brownie Troop 728, sponsored by the Frohardt PTA, held a weekly meeting in the home of the leader, Mrs. Pat Winters, 125 Riviera drive, Tuesday afternoon.

The meeting opened with Linda Hordesky, president, leading the girls in reciting the Brownie promise, and a report by Maria McGarvey on the previous meeting. Roll call was held and Brownie gold was collected by Debbie Melton.

Discussion was held on the Festival of Giving, at which the Brownies donated a basket they had decorated and filled with canned goods. They also helped decorate a Christmas tree with ornaments they had made for the occasion.

The girls decorated cookies which they placed on an artificial Christmas tree for the Quad-City mental health center, 1243A N. Washington. The cookies were donated by Mrs. Winters and her co-leader, Mrs. Mabel Parker. A committee was chosen to accompany the leaders to the clinic immediately following the meeting, at which time the "tree full of cookies" was donated. Girls chosen were Laurie Corcoran, Mary Jo Conreux and Dawn Wallace.

The meeting closed with the Brownies forming a "vanishing tunnel." Others present were Janna Bockell, Connie Corbelli, Lynn Fehrman, Sheila Harmon, Sherrie Harmon, Kim Kitchen, Sharon Marquis, Alice Miller, Beth Mobley, Donna Parker, Barbara Roney, Karen Stawar, Lori Winters and Carolyn Wallace.

The girls will meet again next Tuesday in their leader's home for their Christmas party.

BIRTHDAY-YULE PARTY
A Christmas party was held Tuesday evening by the Double Five club in the home of Mrs. Sandy Cuvor, 1 Del Rio. Members having birthdays during December were honored. Those receiving gifts from secret pals were Mrs. Elaine Parrish, Mrs. Carmen Grider, Mrs. LaVerne Hammond and Mrs. Carol Cottrell. Secret pal names were revealed and new names were drawn for 1966. Games were played. Mrs. Cuvor's home was decorated for Christmas and she served a buffet luncheon to those named and Mrs. Beverly McRaven, Mrs. Judy Jones, Mrs. JoAnn Imboden, Mrs. JoAnn Starling and Mrs. Delores Zeugin.

The next meeting will be held Jan. 13 in the home of Mrs. Parrish, 2808 Warren avenue, where members having January birthdays will be honored.

PLAN FOR NAMEOKI PTA
Plans for Christmas program following a short PTA meeting next Tuesday evening were made by the board at a monthly session Tuesday at Nameoki school. Mrs. Twila McKinney, president, heard reports from Mrs. Reia Knapp and Jim Rolier. Mrs. Carol Merrz, vice-president, said there are decorated Christmas trees on both floors of the school. Charles Mase listed chili supper profits and Mrs. Mary Jane Howell told of work by room mothers. Bert Ahrens reviewed safety activities and Norman Draper explained scout work.

St. Clair ave. at Dale
Rev. Samuel Boda, minister

The general public is invited to a Christmas Candlelight service Dec. 19 at 7:30 p.m. at the church. This will be the fourth such annual event. The church choir will proclaim the Christmas Gospel through familiar carols in the opening candlelight procession. Following the delivery of a brief Christmas message by the pastor, the choir will sing "The Quemas Carol-He Whom Joyous Shepherds Praised" in antiphonal fashion. The senior choir will then present "Before the Paling of The Stars" by Dr. John Boda.

The feature presentation of the evening will be a performance of "Christmas Day" by Gustav Holst. A chorus from Handel's "The Messiah" will be offered in the singing of "O Thou That Tellest Good Tidings to Zion" with Mrs. Diane Gebhardt singing the contralto Air.

The children's choir, directed by Mrs. Josie Diak, will sing "The Snow Lay on the Ground" and other Christmas hymns. The congregation will participate in singing through the service. "O Holy Night" will be sung as a soprano solo by Mrs. Diak. The Senior Choir will also do the traditional carol "O How Joyfully," "Praise Ye The Father" by Handel, and "Shepherds Awake" by John Cowley, arranged by Katherine Davis.

Serving as accompanist for the entire service will be Mrs. Mary Cell, church organist. The choir is directed by the pastor, assisted by Mrs. Diak, who is sectional leader of the ladies' voices for rehearsals and director of the ladies chorus.

The service will close with a candlelight recessional by both choirs.

Christmas at St. Bartholomew's will begin with the Sacrament of Penance from 5:30 p.m. Dec. 24. There will be an organ recital by the church organist, Jack Huchaby, from 11:15 p.m. and the Holy Eucharist at 11:30.

Other services will include Holy Eucharist Dec. 25 at 10:30 a.m.; and Sunday, Dec. 26, Holy Eucharist at 7:30 a.m. and at 10:30 a.m. Holy Eucharist, church school Christmas program and party immediately after the Eucharist.

First Services Sunday at New United Pentecostal Church

More than 200 members of the United Pentecostal Church for the first time Sunday will worship in the new church building at 2450 Pontoon road. A Christmas program will be held at 10:45 a.m., immediately following the 9:30 a.m. Sunday school classes, also inaugurating use of the new structure.

The one-story, fully-air-conditioned, brick and stone building, valued at \$110,000, contains about 7200 square-feet of floor space, the pastor, Rev. Kenneth V. Reeves, said.

Architects of the United Church Extension, a national church-affiliated organization, designed the 40x90-foot church, which is so planned that future additions may be built without altering its basic design. Normal seating capacity is for 370 persons, Rev. Reeves said, but with temporary seats, the church could accommodate 450.

The congregation has been meeting since 1928 at West 22nd street and Bryan avenue. However, the minister said, the United Pentecostal faith was established in Granite City about 1919.

Started 8 Months Ago
Construction began on the new church about eight months ago, with most of the labor donated by members of the congregation. Rev. Reeves added that brickwork and installation of plumbing, electrical, heating and air-conditioning equipment was contracted to local business firms.

Considerable land fill was required to raise the one-acre church site, the minister said, which is located in a low-lying area. Several projects in the basement rooms and exterior trimming have yet to be completed.

The pastor's study, a dressing

room for Baptismal services and a nursery are included in the upstairs portion of the church. When completed, the lower floor will house a fellowship hall, 18 Sunday school classrooms, a kitchen and a furnace room.

The 35-voice choir will have the accompaniment of an organ. Rev. Reeves continued. Most of

the congregation has been drawn from the East Granite, Glenview, Nameoki and Bellemore Village areas.

Rev. Reeves said the church board members appreciate the fine reception and support offered the new church by surrounding churches of all denominations. "We have experienced a wonderful attitude from neighboring church people and have been made to feel most welcome in the new area."

A minister for more than 27 years, Rev. Reeves, 44, has held the United Pentecostal pastorate here for nearly ten years. Previously he served in Paducah, Ky., Trenton, Tenn., and in several evangelistic posts.

Moving to Granite City as a child, he attended local schools. Rev. Reeves, his wife, Norma Lee, and 12-year-old daughter, Angela, a Central school seventh grade pupil, reside at 2306 Grand avenue. His mother, Mrs. Elsie Reeves, lives at 3303 Franklin avenue.

British automotive sportsman R. R. C. Walker, known as "Rob," is shown here with his 1966 Ford LTD.

"1966 Ford quieter than my Jaguar? Not jolly likely!" said Rob Walker

... then he drove the Ford.

Ford's Quiet Man, who recently demonstrated the 1966 Ford to owners of some of the world's most expensive cars, here discusses the '66 Ford LTD with Rob Walker at his family's estate in Wiltshire, England.

"Astonishing... I believe this Ford of yours really is quieter!" exclaimed Rob Walker, famed British automotive sportsman. Ford's quiet ride is the result of built-in quality and overall engineering excellence. Other examples of this engineering magic from Ford are: • New Stereo Tape Player option with easy-loading cartridges. • New Magic Doorgate on wagons— swings out like a door for people and down like a tailgate for cargo. • Silent-Flo Ventilation, standard on Ford 4-door hardtops, gives open-window freshness with all windows closed. • Quiet-test a '66 Ford, at your Ford Dealer's.

CLASS YULE PARTY

The Friendly Circle class of Dewey Avenue Methodist Church met Tuesday for a Christmas party. Mrs. Pauline Mahon and Mrs. Viola Brooks read the Christmas story and the group sang carols.

Mrs. Brooks read a poem and gifts were presented to Mrs. Virginia Settle, president, and Mrs. Margaret Townsen, teacher. Plans were made for a white Christmas gift for the congregation and aid to the Protestant Welfare Christmas fund. The ladies will make cookies for shut-ins.

Luncheon was served at tables decorated with candles and Christmas centerpieces. A Christmas favor marked each place. Present were Mesdames Lucy Testerman, Mrs. Elsie Stagg, Elsie Hamilton, Evelyn Crawford, Thelma Dean, Madona Shaw, Violet Miller, Mary Dora Gladys Potillo, Robbie Donley, Grace Lanning and Lydia Atkinson.

YULE PARTY FOR CLASS

The Progressive class of Second Baptist Church held its meeting and Christmas party Monday in the home of Gladys Potillo, Mrs. Naomi Ronney, 2141 Grand avenue. The home was decorated for Christmas. The devotional was given by a guest, Mrs. Roberta Richardson, who read the Christmas story from Luke 2.

Opening prayer was given by Mrs. Myrtle Burnett. Mrs. Louise Daniels was in charge of the business session. The 23rd Psalm was repeated in union and the group sang carols. Gifts were exchanged and birthdays were observed for Mesdames Pearl Boger, Lena Bonnavar, Myrtle Burnett, Aline Reagan and Naomi Burnett.

Others present were Mesdames Winnie Tucker, Florence Paul, Mina Duggins, Mabel Mercer, Leale Meadows, Mary Richards, Lillian Gregory, Iva Biggs, Melva Roberts, Edith Wilson, Dena Watson, Grace Lambeth and visitors, Rev. and Mrs. Clayton Humphrey, Mrs. Elsie Sturdivant, Mrs. Mae Williams and Mrs. Edna Chappell. The Christmas potluck meal was served at noon.

The Buttons and Bows club held its annual family Christmas party Sunday afternoon at the

Kirkpatrick Homes recreation hall.

Dinner was served to Mr. and Mrs. John Papp, Mr. and Mrs. Charles Holman and children, Jackie, Ruth and Charles, Mr. and Mrs. Carroll Hult and children, Kay, Allan and Cindy, Mr. and Mrs. Robert Brokaw and children, Eddie, Butch and Scott, and a granddaughter, Christine Hatfield, Mr. and Mrs. John Gloeck and daughter, Mary Ann, Mr. and Mrs. Walden Coy and children, Mark and Julie, Mrs. John Steward and son, Danny, Harvey Cranford, Mrs. Hazel Jones, Mr. and Mrs. Jerry Potillo and children, Sandra, Mark, Beth and Kirk, and Mrs. Frances Westbrook.

Gifts were exchanged and the afternoon was spent at games.

BIRTHDAYS OBSERVED

The congregation of Dewey Avenue Methodist Church celebrated the birthdays of the pastor, Rev. John Ambury, and his three daughters, Judy, Cynthia and Rebecca, Sunday evening following worship services. A gift was presented to each child.

D. Webb on behalf of the members. Refreshments were served by the ladies and young people to Mr. and Mrs. Raymond Potillo, Mr. and Mrs. O. L. Crawford, Mr. and Mrs. B. L. Waggoner, Mr. and Mrs. R. D. Webb, Mr. and Mrs. James Goleman, Mr. and Mrs. Dayton Shaw, Mr. and Mrs. Donald Sexton and daughter, Laurie, Mr. and Mrs. Jerry Potillo and children, Mark, Beth and Kirk, Mr. and Mrs. J. C. Sparks and grandchildren, Jimmy Overholtz and Debbie Sparks, Mr. and Mrs. Hubert Jenkins, Mr. and Mrs. Carl DuFrain, Mr. and Mrs. Donald Golden and son, Jeffrey, Mr. and Mrs. Wade Duncan and son, Brent, Mr. and Mrs. Duward Book and daughter, Maria, Mr. and Mrs. James Reynolds and sons, Edith and Dennis, Mesdames Edith Rhodes, Ruby Redman, Mary Davis, Thelma Dean, Elsie Stagg, Lucy Testerman, Lottie Squires, Geneva Felker, Elsie Outhout, Fern Samsone, Shirley Lane and daughter, Kathleen, Misses Marilyn Jenkins, Karen Farley, Sandy DuFrain, Donna Sexton, Frances Jenkins, Sandra Potillo, Betty Bilyrey, Sharon Hancock, Carol Reynolds and Skip Dean, Randy Smith, Eugene Waggoner, Chester Dean III and Chuck Hileman.

CLASS CHRISTMAS PARTY
A Christmas party and gift exchange of the Second Baptist Church Sunshine class took place Sunday afternoon at the home of Mrs. Nellie Nolen, 1719 Collinsville avenue, Madison. Christmas carols were sung and Mrs. Norma Rains gave opening prayer. Mrs. Evelyn Smith, teacher,

Anti-Pinball Machine Law Sought by Sheriff

An anti-pinball machine ordinance to govern unincorporated areas of the county may be introduced at the next meeting of the Madison county board of supervisors at the request of County Sheriff Barney Fraundorf.

An ordinance similar to one recently adopted by Cook county has been drawn by State's Atty. Joseph Bartylak. Fraundorf says eight establishments in unincorporated areas of the county have obtained federal gambling stamps for their devices, and that the games, also known as "bagatelle" and "pigeonhole," are widely used for gambling purposes.

The sheriff claimed enforcement was nearly impossible, mostly because of lack of manpower, even though "two feel" that these machines are not a gave the devotional. The class prepared gifts for shut-ins and presented a gift to Mrs. Smith.

Others present were Miss Irene Broadway and Mesdames Evelyn Barnes, Stiefle Libbar, Luvern Finnell, Ruby Harper, Helen Broadway, Gladys Hudgins, Esther Davis, Dorothy Barnes, Vida Ray, Clara Eddy, Byrd and Mr. and Mrs. Stanley Barnes.

NICHOLS VISIT HERE

Mrs. Iva Nichols, 2223 Missouri avenue, had as guests over the weekend her son and daughter-in-law, Mr. and Mrs. Harry Nichols and children, Kim and Kenny, of Lancaster, Calif. A family get-together included Mr. and Mrs. Edward Nichols and sons, Timothy, Trent and Terry, Mr. and Mrs. Carl DuFrain, Mr. and Mrs. Donald Golden and son, Jeffrey, and Elbert Casard.

The Nichols visited relatives and former neighbors, noting the many changes in this city since they left seven years ago. Nichols said he hardly recognized some sections because of the growth. The family returned home by plane Monday.

Mr. and Mrs. Carl DuFrain, 1721 Venice avenue, had as dinner guests Sunday Mr. and Mrs. Harry Nichols and children, Kim and Kenny, Lancaster, Calif., Mr. and Mrs. Oliver Nichols and sons, Mike and Davis, Belleville, Mr. and Mrs. Donald Golden and son, Jeffrey, Mrs. Iva Nichols, Randy Smith and Miss Sandra DuFrain.

Arriving for Holidays

Robert Henry Milklin, student at Arkansas College student at Batesville, will arrive home this coming weekend to spend the holidays with his family at home, 2907 Iowa street.

Fire Chiefs Hints for Safe Christmas Holiday Season

Barnes Hospital Patient

Mrs. Joseph Cobb of 1503 Third Street, Madison, has been hospitalized as a medical patient at Barnes Hospital, St. Louis.

GO TO CHURCH SUNDAY

Local fire chiefs, through the state department of public safety, fire prevention division, issued today several warnings to provide for a happy and safe holiday season.

The chiefs recommended that Christmas costumes and paper or cloth decorations be flame-proofed by dipping them in a solution, wringing them out by hand and allowing them to dry.

The solution is a mixture of three quarts of warm water, seven ounces of borax and three ounces of boric acid. Another so-

lution is two pounds of diammonium phosphate and one gallon of water.

Also suggested is purchase of a smaller, less hazardous tree and "keep it away from the heat vent or stove and anchor it at the top to keep it from falling."

When the tree begins to dry out, remove it from your home and dispose of it. "Don't leave it back of the garage," is the advice of the chiefs.

What to Look for When Buying Cheese
Regardless of whether you buy natural cheese, pasteurized process cheese or cheese food, read the labels for help in getting just what you want.

Most cheese is "natural" cheese; that is, it is directly from milk, or from whey in a few instances, as opposed to "process" cheese. The name of a natural cheese appears on the label as the variety, such as "Cheddar cheese," "Swiss cheese" or "blue cheese."

Process cheese is made from a blend of fresh and aged natural cheeses that have been shredded, mixed and heated or pasteurized. This treatment prevents a further ripening, and therefore the flavor will not change. In addition, a stabilizer is added to prevent separation of fat. Process cheese melts smoothly when reheated.

Cheese food is prepared in much the same way as process cheese except that it contains less cheese. Nonfat dry milk or whey solids and water are added. As a result, the product contains less milk fat and more moisture than process cheese. Because of its higher moisture content, cheese food is milder in flavor, has a softer texture spreads more easily and melts faster than process cheese.

Cheese spread, while made in much the same way as pasteurized process cheese food, generally contains more moisture and a lower milkfat content. As in all process cheese, a stabilizer is used in the preparation to prevent separation of fat. It is generally more spreadable than cheese food.

Cheese is a highly nutritious, and palatable food. In addition, it is one of the most versatile foods. It not only fits into every course at luncheon or dinner, but also fits any budget.

Local Airman in First Nuclear Warship Action

Airman Apprentice Michael D. Bader, USN, son of Mr. and Mrs. Herman G. Bader, 71 Janine court, a crewmember on the nuclear-powered attack aircraft carrier USS Enterprise, was serving aboard the vessel Dec. 2, the first time nuclear-powered warships were used in armed combat against an enemy.

As the carrier Enterprise went into combat, launching air strikes against the Communist Viet Cong in South Vietnam, the nuclear-powered guided missile frigate Bainbridge was at the "Big E's" side, providing anti-air and anti-submarine defense for the world's largest aircraft carrier.

The two ships recently completed a 30-day, 16,000 mile voyage from Norfolk, Va., to the Western Pacific to become the first nuclear vessels to operate with the Seventh Fleet. They will be joined by the nuclear-powered cruiser Long Beach and the guided missile frigate Truxtun early in 1966. Nuclear reactors in these ships provide almost unlimited range and the ability to stay at sea for extended periods without refueling, long considered a valuable asset to striking forces operating in Far Eastern waters.

SIU Joins In Suit On Library Shelf Pricing Charges

Southern Illinois University has agreed to join with other state agencies in a suit for damages from manufacturers of metal library shelves, alleging price fixing and collusive bidding.

The university board of trustees, meeting in Carbondale, authorized the state attorney general to list SIU as one of the plaintiffs in a civil suit asking

in other action the trustees approved a short list of faculty and staff appointments for all campuses.

John B. Hawley, recently a research sociologist with the Center for Community Studies, Sash, was named pro-

fessor in the Education Division and director of Community Services. In the latter capacity he succeeds Robert Knittel, re-

assigned as community consultant and assistant director of research. Hawley, a native of Nut-

ley, N. J., formerly was a community development adviser with a U. S. Mission to Iran.

Albert N. Y. Badre, a native of Marjayoun, Lebanon, was en-

gaged as a professor of economics, to start in September 1966. He has served as professor at

Harvard F. Engelking will start Jan. 1 as supervisor of adult ed-

U. S. he also served as supervisor of the Breckinridge Job Corps Training Center, op-

erated by the University, and there were 12 resignations from the staff of that agency.

The trustees approved purchase orders totaling \$333,481 for tracts of land for the Carbondale campus.

Madison Ace Leads Scorers; Only Four Unbeaten Teams

Madison's scoring ace Dale Turner continues to top the area's leading scorers for the second week in a row. Turner was inactive this past week due to a change in the Trojans' schedule.

Turner, by virtue of 38 points against Dupu Tuesday night, has boosted his scoring average to 27.3 points in three games. Craig Manwaring, Highland's 0-7 junior, held third spot with a 22.7-point-per-game average for four games. Dennis Cook moved into the top five this week, scoring 28 points against Roxana. Cook, of Dupu, has a 21.5 average.

Madison's Paul Lusk dropped from his leading position last week to the number four spot, after netting only six points against Dupu, in a losing Madison game.

Joe Wiley of Belleville is ninth with an 18.6 clip and Ed Harvey of Roxana rounds out the top with a 17.0 mark.

Only three teams remain unbeaten in overall play, and four unbeaten in conference games. Venice's Red Devils are 6-0 overall and 4-0 in conference play. The Red Devils also downed three conference foes for the MCM Conference tourney championship last weekend.

Highland's Bulldogs are 4-0 overall and hold the top spot in the Midwestern Conference. Highland has a 1-0 league mark. Madison is 2-1 on the season.

The only other major unbeaten teams are Edwardsville's Tigers and Cahokia. Although the Tigers have lost a game to Highland, they are 1-0 in Southwestern Conference action, as of early this week.

Cahokia is 2-0 in overall play but has yet to play a conference game.

64 Teams on 'V' Cage Slate

Sixty-four teams have signed up for participation in the three leagues of the YMCA's Quad-Cities basketball program.

The teams will see action in three leagues: Prep league, for third and fourth grades; Trail-blazers league, for fifth and sixth grades; and the Junior league, for junior high athletes.

The squads will receive instructional classes, and then regular league play will begin on the first week of January.

Three centers will be the sites of the basketball action. Madison union high will be open for Madison and Venice youths; the "Y" for the Granite City area; and Mitchell Grade school for youths of Mitchell.

For further information concerning the basketball program, either Mike Jesse or David Walker may be contacted at the YMCA.

'66 Trojan Grid Preview

Fullback and Tackle Spots Weak Points

(This article previews needs and proposed changes in Trojan for the 1966 Madison football team, written by Coach Glen Pickering, as told to Mike Germaund.)

Lack of tackles and a good fullback will hurt us the most. That's where we are the weakest for the next Madison high school football season.

Next year, we'll have to dig down deep and come up with a few good sized linemen. Bert Armour, our center this past year might see some action out of one of the tackle spots.

Other than the tackles, our one looks pretty solid. We'll have one of the best high school guards back, in Marvin Owcia, and Joe Podnar will be the other guard.

At end, we'll have three or four boys battling it out, and two of them are real capable.

Of course, we lost some of our size and power in the backfield this year, and with that, we lose the majority of the power plays through the line.

Fast, Sweeping Plays
Next year, we'll have to do one of two things—either find some big backs, or run a lot of fast, sweeping plays.

We need that big fullback. We need him to keep the other team's linebackers honest by staying in their home position.

I don't see any problems at the quarterback spot. We've got Steve Shipcoff and Steve Geroff.

Venice to Host District, Wood River Region

Venice high school has been selected as the site for this area's 1966 district basketball tournament, it was announced by the Illinois High School Association yesterday.

Regional centers for the area were named as Belleville, Alton and Wood River high schools. The Venice winner will advance to Wood River.

East St. Louis was assigned as a sectional and first-round state final center, also known as the "super-sectional."

Play in the forthcoming series will open at the district level on Feb. 21, with the regional and sectional tournaments following the districts at one-week intervals.

The 16 sectional tournament winners will play first-round games of the state final tourney on Tuesday, March 15. The winners of these eight games will play at the University of Illinois on March 18-19 to decide the state high school basketball championship.

Local Car Wins 2nd

A customized 1966 Ford truck owned by Lee's Auto Repair of Granite City took second place in the semi-modified truck class at the sixth annual Auto-Rama in St. Louis this week. The auto show was sponsored by the Torques and Coachmen car clubs.

JCs Still Accepting Award Nominations

Nominations for the "1965 Distinguished Service Award" presented each year by the Granite City Jaycees will be accepted through midnight Dec. 31, according to Dr. E. L. Strotheide, DSA committee chairman. The award is made annually to a local young man who has contributed outstanding service and leadership in the community.

The winner will be announced at the Jaycees' annual "Bosses Night" banquet, on Jan. 20, when the featured speaker will be Jack Buck, Knux radio sports' director. An engraved plaque is presented to the top candidate.

Nominations may be made by organizations or individuals. Judges will be selected from a group of outstanding citizens who are not affiliated with the Jaycees. Dr. Strotheide said. He added that ballots are now available from any club member.

Nominees are not required to be members of the Jaycees, or to the organization making the nomination, the chairman explained. However, those entered must be between the ages of 21-35 years; reside or work in the Tri-Cities; and be a citizen of the United States.

Judging is based on participation in all-around community activities; contribution to community welfare and lasting contribution to community affairs; exhibition of leadership ability; evidence of personal or business progress; and cooperation with individuals and civic organizations.

Previous award winners, include Earl Dotzauer, Robert D. Todoroff, Earl Parsons, Arthur Wier and William F. Winter.

Farm Bureau Driver School Sign-Up Open

Mrs. Clara Schillingher this week has announced Dec. 29 as the final date for enrollment in the driver improvement program being sponsored by the Madison County Farm Bureau women's committee which she heads.

The classroom training program set for Jan. 4-5, is being conducted to assist in prevention of traffic accidents through defensive driving. Instructors will include safety specialists from an insurance firm and a traffic safety section of the Illinois state police.

Any adult driver, interested in participating in the course may contact the Madison County Farm Bureau office in Edwardsville on or before Dec. 29.

Man Fined \$30, Costs

Tom Hedrick, 28, of 806 Grand avenue, Madison, was fined \$15 plus \$5 costs each on charges of fighting and intoxication Monday by Magistrate Hiscott. The charges were filed Dec. 1.

Speeding Charge Filed

Lawrence E. King, Rural Route One, was arrested about 10 a.m. Tuesday at 2400 Madison avenue on a speeding charge. He was summoned for a hearing by Dec. 23.

Driver in Venice Crash Charged with DWI

Fred L. Weber of 2021 Park avenue was arrested by Venice police at 7:10 p.m. Monday on charges of driving while intoxicated and driving with an open bottle of liquor in his car.

The arrest followed an accident at Market and State streets in which Weber's car collided with one driven by Robert Wiley, 58, of 103 Carver street, Madison. Police reported that Wiley was headed east on Market street when Weber, driving south on State street, ran the stop sign and collided with Wiley's car.

Traffic Light Charge

Autos driven by Gustave Karer, 2612 Madison avenue, and Emmet Mender, 3008 Edgewood drive, collided at 11:30 a.m. Tuesday at 23rd street and Madison avenue. Karer was charged with running a red light.

Kiwanis and Wives Attend Yule Dinner

Granite City Kiwanis "ladies night" Monday featured dinner and a special Christmas program at the Rose Bowl with 38 present, including two guests, Mr. and Mrs. Edward Moore.

Herbert R. Schannott, president, welcomed the group. He also reported on a recent club meeting he attended in Alton, when Dr. Luis V. Amador, director of the Spastic Paralysis Research Foundation, Chicago, was the speaker.

Support of the foundation and its affiliated hospital is the principal welfare project of the Illinois-Eastern Iowa District of Kiwanis International, of which the local chapter is a member. Schannott said extensive research into many crippling children's diseases is handled by the foundation, and that each Kiwanian is obligated to contribute at least \$3 annually to the project.

Entertainment was provided by young guitarists under the direction of Wayne M. Schannott, and the theme was "Christmas-Folk Style."

Specialty numbers featured soloists, Ricky Singleton and Billy Ogden, both of Granite City, and Bill Roents of Grafton.

Others in the group were Tim Harris, master-of-ceremonies, and sound effects specialist; Steven Brewer and Mike Scannell, drums; Mickey and Norman Hall, David Brewer and Bob Kozak, guitarists, all of Granite City; John and Clay Winfield, guitarists, Mitchell and John Rozycki, Madison, and John Lee, Caseyville, guitarists.

Mrs. Wilbur Waggoner, Mrs. Melvin Gille and Mrs. Schannott were in charge of table decorations and each received a gift.

Schannott reminded members of the club's annual Christmas party to be held Saturday evening in the home of Mr. and Mrs. Wilbur Waggoner of Collinsville.

Lipmeyer Heads C. of C. At San Dimas, Calif.

Victor L. Lipmeyer, a native Granite Cityan now residing in San Dimas, Calif., a former assistant and vice-president of the San Dimas branch of the Pomona First Federal Savings and Loan Association, has been elected president of the San Dimas Chamber of Commerce, according to word received by relatives here.

He is a nephew of Mrs. Ruth Hufstader of this city.

SAFETY AWARD PLAQUE being presented to N. R. Brink (right, holding plaque), manager of the local A. O. Smith Corp. plant, by Vincent Pollina, corporate director of safety at the firm's main office at Milwaukee. Others present for the ceremony in Brink's office were, left to right—C. E. Blankenship, safety and training superintendent; Robert Hess, superintendent of manufacturing; Carl Sonnet, representative of Machinists District 9; Stanley Young, quality control manager; Pollina; Harold Chinnault of Electricians Local 309; Paul Kelly, per-makers Local 575, and Herman Byrd, superintendent of maintenance, tooling and equipment.

Safety Award Presented To A. O. Smith Plant

Three operations of the A. O. Smith Corp., including its Granite City plant, have received National Safety Council awards of merit for "outstanding accomplishments" in safety record achievement, it was announced Tuesday.

The Granite City plant was cited for posting a record 2,228,261 man-hours without a disabling injury from March 23 to Oct. 18, 1965. About 1800 persons are employed by A. O. Smith at the local plant in the production of automobile frames.

The company's Milwaukee works received a similar award of merit for operating 2,273,511 man-hours without a disabling injury, while A. O. Smith's Cleveland, Ohio, subsidiary, the Clark Control Corp., was cited for 1,003,214 injury-free man-hours.

Auto Turns Right, Hit

The right rear of an auto driven by James L. Farley, 2102 Bryan avenue, was damaged as he was making a right turn and was struck by another operated by James Matheny, 2115 Lincoln avenue, at 3:55 p.m. Monday at Niedringhaus and Grand avenues.

Open Sunday for Yule Mail

Holiday Mail Deadline This Weekend--For Sure

In expressing appreciation to local residents for their excellent ability of weather can mean uncooperation so far, Granite City expected delays. Postmaster Theodore Overbeck stated today that it is urgent for remaining Christmas mail to be sent out over the coming weekend.

The Granite City post office, 24th street and Madison avenue, will be open until 6 p.m. today, from 8:30 to 5 p.m. Saturday and from 1 to 5 p.m. on Sunday for holiday mailers. Next week and the hours will be from 8:30 a.m. to 6 p.m.

The Madison post office is open 8:30 a.m. to 5 p.m. weekdays and a half-day on Saturday, and in Venice the post office hours are 8:30 a.m. to 5:30 p.m. on weekdays and it will be open for a half-day Saturday.

In the last three weeks, Overbeck said, the nation has witnessed more people mailing gifts, cards and letters than ever before. He suggested that mailers consider the use of air mail or special delivery, especially for out-of-town mailings.

Overbeck reported that arrangements have been made for every piece of Christmas mail that can possibly be delivered to reach its destination on time. However, he added, at this time of year, the strain on transportation facilities and the unpredictability of weather can mean uncooperation so far, Granite City expected delays.

Only special delivery and perishable mail will be delivered on Christmas Day, local post office officials said. Holiday schedules will be maintained Saturday and Sunday, Dec. 25 and 26.

Although Christmas falls on a Saturday and many business firms will be letting their employees off Friday, Overbeck continued, a sufficient number of postal workers will remain on duty to see that all Christmas mail entering post offices in time for delivery will reach its destination.

"We've observed that the use of ZIP Code has increased significantly over last year," the postmaster said, "and that most people are mailing earlier. However, there still is an extremely heavy volume of mail to be delivered," he concluded.

Smoke Fills GC Beauty Shop, Lights Defective

Firemen were called to Stanley's Beauty Salon, 1920 Edison avenue, at 11:20 a.m. Tuesday when the establishment became filled with smoke. It was determined that fluorescent lights were defective, and electricians were summoned to make replacements. Firemen estimate damage at \$150.

Program Aiding Young Psychiatric Patients

Young patients at Alton State Hospital are learning to face everyday problems with dignity and confidence through an intensified treatment effort called the Young Adult Program. About 20 persons, 18 through 21 years old, are enrolled in the

program which emphasizes group, family and activity therapy oriented to recreational, industrial and occupational activities. The format was developed by Miss Marilyn Yentem, social worker; Mrs. Kay Penny, a registered psychiatric nurse; and Mrs. Millicent McAfoos, another social worker. Group sessions are held each afternoon in a residential building

which formerly housed farm workers. These are supplemented by a sheltered workshop activity three mornings a week to reinforce learning and relearn creative skills. A recreational program also seeks to create an awareness in the patient for his need for hospitalization, and Miss Yentem said group sessions represent the backbone of the program. They focus on aims as improving social functioning, achieving results.

Dr. SIMS says SAFEGUARD YOUR HEALTH

A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

HEALTH INSURANCE PLUS MEDICARE RECOMMENDED
If you are over 65 years of age, you may be considering dropping your health insurance—figuring that the new Medicare bill will take care of you. You'd be wise to reconsider.

It is important to re-emphasize that life law does not meet all hospital and related care costs for the aged." is the warning of Dr. Burt E. Montgomery, Harrisburg, president of the Illinois State Medical Society. Dr. Montgomery feels senior citizens should hold onto their health insurance, while the law takes effect in July 1966, some aspects of it do not begin until January 1967.

1. **HOSPITAL CARE.** Although the plan covers all services—including those of residents and interns in training—it will NOT cover the payment for physician services, private duty nursing, nor the full cost of a private room.

The plan covers a total of 90 days of hospital care for each "spell of illness." BUT a new "spell of illness" begins AFTER you have been out of a hospital or nursing home at least 60 consecutive days.

You must pay the first \$40 of the hospital bill.
You pay \$10 per day after 60

days for the remaining 30 days of each "spell of illness."

2. **NURSING HOME CARE.** Coverage of nursing home care does not begin until January 1967.

When it begins, the plan covers you for a total of 100 days in each "spell of illness."

For each 20 days of the plan meet FULL cost of nursing home care.

You must pay \$5 per day, after the 20th day, for the remaining 80 days.

3. **HOME HEALTH CARE.** This pays for cost of up to 100 visits a year by a nurse, therapist or home health aid. BUT:

To qualify, you (1) must be discharged from a hospital or nursing home; (2) must be under a physician's care; and (3) must be under a home health care plan established by your physician.

4. **HOSPITAL OUT-PATIENT DIAGNOSTIC SERVICES.**

You must pay the first \$20 in this plan covering laboratory and other studies.

You must also pay 20% of the additional charges for the same hospital or nursing home at least 60 consecutive days.

Only 190 days in your entire lifetime are covered for hospitalization for mental illness.

Vote 'Yes' Saturday To Authorize Granite City Park Ice Skating Rink And Recreation Center

A "Yes" vote Saturday on construction of a Granite City park district ice skating rink and year-round recreation center can be a big step forward for the local community.

It can furnish a roomy shelter, enabling picnics, outings and other park activities to be scheduled and held regardless of inclement weather.

It can serve as an attractive and valuable addition to Wilson Park, fitting in well with the natural wooded setting without detracting from other use of the park or marring its beauty.

It can be maintained with no increase in the park operating tax. Located within short distance of the present office and garage, the center can be economically included in the work of the park district staff as well as rounding out the already extensive recreation program.

The planning has been thorough. The cost will be slight: less than 1% of local tax bills. Even this will be terminated after 10 years, just as the Wilson Park swimming pool tax was halted after retirement of its bonds.

Special elections unfortunately are noted for their light turnouts. We urge all voters to make Saturday an exception to the rule by casting a large and decisive vote in favor of the proposal.

No bond election can be taken for granted; advocates must not stay home and "let George do it." It is important that each voter make a special effort to go to his polling place between 6 a.m. and 6 p.m. Saturday.

County Governmental Building Needs Report Being Prepared

A report this spring by the Southwestern Illinois Metropolitan Area Planning Commission on Madison county governmental building needs will be awaited with great interest.

There is little question but that many county offices are hampered by cramped quarters, the jail is old and inefficient and juvenile facilities are needed. At the same time, court space at the county seat should not be expanded to such a degree that it leads to further reduction of court services in the heavily-populated Alton and Quad-City areas.

One of the soundest of the plans discussed thus far calls for continued use of the existing courthouse, rather than replacing it entirely at great cost. Under this proposal, the nearby county jail and sheriff's quarters, over a century old, would be torn down and replaced by a multi-story building containing courtrooms, a jail, sheriff's office, a juvenile section and two-level parking garage.

Freedom in the present courthouse then could be used to expand crowded offices. The new structure would group related activities for increased efficiency while simultaneously ending the acute parking space shortage.

With the state authorizing a five-cent tax for up to ten years to rebuild or remodel courthouses, the Board of Supervisors can proceed with such an expansion without specific approval by voters. However, the board and present economy record gives every hope that taxpayers' interest will be given full consideration as the planning proceeds.

Nameoki, Chouteau Townships In Forefront Of Residential Growth

One of the biggest continuing stories relating to Madison county in the 1960s has been the steady growth in unincorporated area homes and subdivisions.

With Nameoki and Chouteau townships in the forefront along with Cordley, Collinsville and Wood River townships, new county area construction has reached \$16½ million already this year, with December still to be tabulated, compared to \$13½ million in all of 1964. There have been 1146 building permits in the 11-month period, exceeding the 1063 in the 12-month span last year.

The pattern is reflected in the thinking of Granite City community and school officials. Currently in the process of acquiring a new Mitchell area site authorized in the 1964 referendum, they already are studying the possible need for one or more other campuses in the Stallings-Mitchell region.

Although it creates problems as well as economic growth, the population expansion is a welcome sign—one which indicates widespread recognition of the many advantages of living in the Quad-City area.

What will bill collectors do when we win the war against poverty?

Mayor Praises Varied Park Programs, Endorses Ice Rink

"All sections of Granite City are provided through the park district with extensive recreation facilities," Mayor Donald Partee said in praising the varied programs operated by the park district.

"This can be a proud point forward for our community. The youngsters served by your park district need your parks, plus that of all adults interested in providing an ice skating rink and year-round recreation center in the park district."

"We need to urge people to vote, because there will be opposition. Each and every one of us should get out and put as much effort into this as we can."

Present Park Services
Mayor Partee listed the following park services operated by the Granite City park district:

TRIANGLE PARK—Playground equipment and outside basketball area.

TRI-CITY PARK—Playground equipment, one ball diamond and outside basketball area.

R.O.D.E. PARK—Playground equipment.

MARYLAND PARK—Playground equipment and one ball diamond.

Police protection in Madison shifted from 3 p.m. until 7 a.m. of each 24-hour period, and early morning hours of the revised work schedule placing all police on the streets at 8 a.m. and 4 p.m. during the 48-hour week, Chief of Police Emmett Fazio announced today.

Pazia said the new schedule was put into effect to provide greater protection against any possibility of an increase in the number of robberies, burglaries and other crimes.

The new plan will place a minimum of three, and usually four, police officers on the streets at all hours during the second and third shifts.

DON'T OVERLOAD LOCAL TAXPAYERS FOR RINK
To the Editor:

Why overload the taxpayers to build the skating rink when most of the ones paying for it will never use it?

Our taxes are too high, anyway. Why can't it be built and paid for out of admission fees? If the fees don't pay for it and keep it up, we don't need a skating rink.

So, taxpayers, open your eyes and see why it is a bad idea. Are all residents (no one limit) going to get free lessons?

WEST GRANITE WOMAN

WORTHEN PARK—Playground equipment and two ball diamonds.

MEMORIAL PARK—One fountain to beautify the area plus park benches.

A.R.E.A. NEAR FROHARDT PARK—Playground equipment and two ball diamonds.

WILSON PARK—Swimming pool, tennis courts, eight ball diamonds, two playground areas and picnic areas. During the past summer, the park district reserved 475 picnic shelters for residents of the park district.

Bus Community Center
"Programs at the Community Center," the mayor said, "include: 100 children; gymnastics—50 children; Slimettes—52 ladies; tumbling—50 children; cast program—40 children; girls' club—21 girls; movies—80 boys; boys' club—53 boys; preschool—120 children; and playground—20 children."

"The gym is open to anyone on Tuesday evenings and Saturday afternoons."

"Groups meeting at the center include the Lincoln Place Mothers' Club, Garden Club of Granite City, Neighborhood Four Girl Scout Leaders, bridal showers,

and other social events. The center also has a large room for parties and other functions."

Madison Police Double Night Patrols

Police protection in Madison shifted from 3 p.m. until 7 a.m. of each 24-hour period, and early morning hours of the revised work schedule placing all police on the streets at 8 a.m. and 4 p.m. during the 48-hour week, Chief of Police Emmett Fazio announced today.

DECEMBER 16, 1940

Members of the Council of the Tri-City Girl Scouts entertained local troops Friday evening in the ladies' parlor at First United Presbyterian Church.

In the discussions that took place, the query "What Can Girl Scouts Do to Help in the Present World Emergency?" was asked.

One organization which has been functioning for some time, more actively in St. Louis, known as Bundles for Britain was explained.

The organization was formed to supplement the work of the Red Cross and to answer urgent need for help and more help for the women and children of Great Britain, individuals whose homes have been bombed and who have lost everything.

Stress is placed on warm-weather clothes, knitted sweaters, scarves, socks, and sweaters for the men in the Home Guard. Everyone present at the meeting agreed that this was the work that the Girl Scouts will do.

"Let's make this a community project as well as a Girl Scout project," the leaders commented. With that declaration, all Tri-City residents are being invited to participate, and may receive prizes for contributions by contacting the Girl Scout headquarters, 1314 Niedringhaus avenue.

Mr. and Mrs. Frank Bunselmeier were hosts at a farewell dinner given in their home on Rural Route Two in honor of Mrs. August Bunselmeier, who are moving to Mercedes, Tex. August Bunselmeier has a large fruit farm at Mercedes which he has owned for quite a number of years, but did not decide until now that he really likes to live there permanently.

Among the guests were Mr. and Mrs. Fred Dueschman, Mr. and Mrs. Wes Dueschman, Mr. and Mrs. Karl Kueny, Mr. and Mrs. L. F. Merz, Mr. and Mrs. William Scott, Mr. and Mrs. Christ Leuecher and the August Bunselmeiers' two sons, Wilbur and Robert.

Mrs. Hall, wife of Dr. Lemuel Hall, is expected home this week from Mississippi, where she has been visiting relatives. Her brother, John C. Hall, Dr. Hall's brother, arrived here yesterday from San Diego, Calif., and will visit Dr. Hall for an indefinite time.

The first surgical treatment of tuberculosis in the new surgery and anesthesia department of the Madison County Tuberculosis Sanatorium was performed with successful results to the patient. The operation involved collapsing the patient's lung by thoracoplasty and requires an hour-and-a-half.

Dr. Joseph Maier, head of the sanatorium, performed the surgery and Dr. Paul Penworth of Venice, a member of the American Society of Anesthesiologists, administered cyclopropane, a relatively new type of anesthetic.

GREENEY SUGGESTED FOR SCRAP SHEET PILE
To the Editor:

Regarding the mayor's campaign to improve Granite City's visual image, why doesn't he persuade the steel company to maintain an effective screen of trees and shrubs along its dreary scrap pile on East 23rd?

Multitudes of trees and shrubs and maintenance-free shrub, can be obtained from the state for practically nothing. A few evergreens would help, too.

LOCAL DRUID
To the Editor:

As of your Dec. 13 edition, I must be in the wrong walk of life. I can't see paying a half-million dollars for a big playhouse in our city.

There has never been anything mentioned about a refrigeration system to treat the water. I guess the ice will depend on the weather. Kind of sounds like the old skating pond. Is it? If the weather is too warm or there is a strong blowing snow storm, forget it.

Come on, now, let's stop kidding around. The rink isn't for the kids. It's not even a rink at all. This whole thing is a hardy and skating, but it is really a town hall. A big flat slab of concrete with a roof over it is not a recreation center.

If the organizations listed in the paper were really 100% behind

the proposal, they would get out and help raise the money, not the votes.

ED CHRIST
(Editor's note: The rink would have a refrigeration system and would be fully equipped to provide an ideal skating surface daily for five months of the year. The rink would be protected from wind and snow.)

SUGGESTS NEVER VOTE FOR A BOND PROPOSAL
To the Editor:

I would like to know: Are the subjects of Granite City going to vote for the bond issue?

As you know very well, we never get a bond issue paid off, or at least it never shows on our property tax. It just goes on and on.

I think we should consider some of our needs of the city before spending money on a luxury such as the ice skating rink.

I think we should be a little more conservative, as it seems there's no end to our tax's now. It doesn't seem fair to spend \$475,000 on the program while hundreds of children on the West Side have only one very small

Also, it wouldn't seem right to have to pay to use the rink, if the people of the city bought and owned it. It should be paid for. I say never vote for a bond issue.

St. Paul's will be there again this year with a treat for the children.

Those to be featured on the program are William Bulby, who will give the welcoming address; Earl Guard, a reading; Miss Jessie Gray and Edward Myers, violin solo; Miss Marie Ray, piano solo; Emil Saegesser, yodel; Earl Prawl and Raymond Smith, cornet duet; Walter McFarland and Miss Marie McFarland, vocal duet; Katherine McKeever and Gertrude Roumain, whistling duet; Miss Jessie Pruitt, Lenore Harned, and Mrs. Harned, vocal numbers; Helen Adams and Mabel Duncan, "Two Mollies"; and Lillian Watkins, a reading.

St. Bartholomew's Women's Guild extended the following officers for the ensuing year at the home of Mrs. Wimer: Mrs. Edna H. Wimer, president; Mrs. Pick, vice-president; Mrs. Chapman, secretary; and Mrs. W. E. Humphries, treasurer.

Prof. Coolidge of Granite City high school is now figuring on an extremely difficult proposition to have about 37 freshmen entering into the high school building on Jan. 2, and the assembly is already filled to capacity.

The teachers also have all the classes that they can handle, so the WCTU at the Madison County High School was a decided success. Those who took part in the work included Miss Hinkle, L. Morrison, M. Givenrod, H. F. Butler, M. Gerling and M. Dumanvat.

LEAVES FOR CALIFORNIA

Marine Cpl. Joseph "Tim" V. Vardy, son of Mr. and Mrs. Joe Vardy, 2000 Fourth street, East Madison, left Madison during the weekend for El Toro, Calif., where he will be stationed for the remaining five months of his service.

Prior to coming home Nov. 13, he was stationed at Chu Lai, Vietnam, for seven months. He visited with his parents, relatives and friends for a month.

FIFTH BIRTHDAY

Susan Lynne Schaffner, five-year-old daughter of Mr. and Mrs. George Schaffner, 1608 Elizabeth street, celebrated her birthday Sunday afternoon.

The basement of the home was decorated in keeping with a Christmas theme by Mrs. Schaffner. Games were played by the youngsters, after which cupcakes, each topped with a snowman, were served with refreshments. A Santa topped the cake that centered the table. Each girl was presented with a jump rope and the boys with binoculars and candy canes.

Children present were Kimberly O'Dell, Sherri Gryzwacz, Becky Crews, Sheila Crews, Francesca and Lela Anselmo, Christine

Barnhart, Christine Andrea, Kathy and Nicky Wargin, Mark Monroe, Michael Blackshier, Johnny Maeras, Joe Hlava, Mary Patterson and Michael Schaffner, brother of the honoree. Adults present were the grandmothers, Mrs. Marie Stawar and Mrs. Ben Schaffner, and Mrs. Georgia Wargin, Mrs. Margaret Blackshier, Mrs. Pat Crews, Mrs. George Stawar and Mrs. Becky Lipchik.

Constalks Can Control Winter Erosion

Shredded cornstalks can help to control winter erosion in cornfields. Recent tests show that farmers control erosion best when they shred their stalks but don't disk them into the soil.

University of Illinois soils specialist T. D. Hinsey says that the secret is ground cover.

Shredded cornstalks make a cushion, protecting the soil from the impact of raindrops. It's this impact that first detaches the soil particles, freeing them to be carried away.

In the midwest, heavy rains usually come during the early spring and fall, so it's best not to plow sloping land in the fall. Raindrops work hardest on bare soil and can soon start it moving down-hill.

Recent Indiana studies showed the advantage of shredding cornstalks to provide soil cover. On land that had a 4% slope, USDA researchers compared shredded cornstalks, cornstalks left by the picker and cornstalks shredded and disked in. They simulated rainfall at 2.4 inches per hour for one hour on each plot.

The greatest soil losses occurred where stalks were neither shredded nor disked. Here the loss measured 1.25 tons of topsoil per acre for this hour period. Where stalks were shredded and disked, losses were about one

ton of soil per acre. The researchers got the best soil protection when they shredded cornstalks but did not disk them. Here they reached erosion to only one-half ton of soil per acre.

How much is it worth to save an inch of topsoil? That depends on how deep your soil is and what your subsoil is like. If your soil is deep, you won't miss an inch as much as the fellow who has only a few inches of topsoil over clay, says Hinsey. But even on the best soils it's the most fertile portion that washes off.

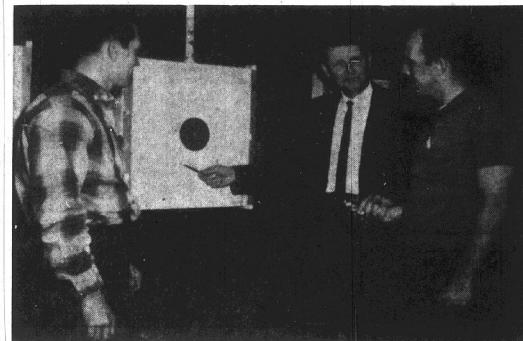

It costs money to replace the nitrogen lost in the organic material that washes away. So it costs more to grow corn after the soil has eroded.

In shallow soils, where the subsoil is clay, topsoil losses become more serious. With less surface soil, crop roots won't be able to go as deep as before. This condition may also restrict moisture movement and water penetration.

You may never rebuild such soil, regardless of how much fertilizer you put on. Your best bet is to hold on to all the soil that's there, Hinsey explains.

Growing good crops helps to reduce erosion. The higher the corn yields, the more plant material farmers have to return to the land. A good stand of vigorous corn plants provides a fine

canopy to fend off raindrops duces nearly three tons of dry during the summer, and lots of its per acre. Properly shredded material for shredding in the stalks per acre. Properly fall. A 10-bushel corn crop pro-shredded and spread, these stalks

can almost completely protect the soil from the impact of raindrops.

Miscellaneous Data

Voluntary reporters who have reported farm conditions to the Illinois Cooperative Crop Reporting Service for a decade or more

have been awarded certificates of appreciation by the Service.

Madison county reporters with 20 years' service are Joy F. Madan and Sons, Dale M. Rogier and Sons, Fred G. Steinmetz. Those

having ten years' service are Clarence Beck, Fred W. Beck, Harold Gindler, Charles J. Heck, Percy H. Heuer, Art and Paul Kolk, Fred Otto and Albert Trauericht.

Christmas tree growers in southern Illinois have about 135,000 trees to market this year. Nearly 100,000 of these are Scotch pine. The balance are white, jack and red pine. The Scotch have the greatest customer appeal with white pine second choice.

Yule Trees in County

There are several Christmas tree growers in Madison county. Many buyers have already visited a grower to mark the tree of their choice before harvesting. Locally-grown trees are fresher and less a fire hazard than shipped-in trees.

Dates of the annual winter agricultural short course at the University of Illinois are Jan. 31 to March 11. Any man or woman 18 years of age or older who is a high school graduate may attend. Farm background or experience is helpful but not required. A total of 21 courses will be offered. Anyone interested can get more information at the farm adviser's office.

The 1966 calendar of the Madison County Farm Bureau is entitled "Landmarks of Illinois."

It contains color pictures of the Lincoln Trail Monument in Lawrence county, downtown Chicago, the Piasa Bird at Alton, the University of Illinois Assembly Hall, the Black Hawk Statue and the Bald Knob Cross.

Of the Piasa Bird, the calendar says "Just north of Alton, the fierce and colorful Piasa Bird glares from its cliff across the broad Mississippi channel. First

required to install it; it is not damaged by occasional freezing; it will not rot or corrode; and, although it costs about the same per foot as steel pipe, the total installation cost is usually less.

in the bluffs and carried off unwary warriors. Early explorers report that the Piasa Bird, half

worshiped, half feared by red men, was a target for the arrows of Indian travelers as they passed in their canoes.

"Though quarries and road builders have destroyed the original Piasa cliff, this modern copy is a reminder that Illinois' cultural legacy is not solely a product of the white man."

The Madison County Holstein Club will hold its annual auction sale of purebred calves for 4-H club and FFA members at the fair grounds at Highland February 12.

Bald cypress is not a common tree in this area, but there are a great many a little farther south, and they are increasing here. A cypress at the Farm Bureau building at Edwardsville planted as a foot-long whip only three years ago is now almost ten feet tall. The cypress is a clean, strong, fairly fast-growing tree. It is coniferous, but not evergreen, as the needles drop off in winter. It does especially well on wet soils, but also grows well on fertile, upland soils, eventually becoming quite a large tree.

The Madison-St. Clair-Monroe Vegetable Growers' Association will hold its annual school near Caseyville Jan. 18-19.

Plastics are being used more around the farm each year. One of the newest uses for this versatile material is in pipes. It is light and easy to handle and comes in lengths of 60 feet, making fewer joints necessary.

Plastic pipe also has these advantages: It is flexible and easy to install; no plumbing tools are required to install it; it is not damaged by occasional freezing; it will not rot or corrode; and, although it costs about the same per foot as steel pipe, the total installation cost is usually less.

County's Sales Tax Tops Million

Madison county by now has exceeded \$1 million in sales tax revenue from unincorporated areas, Illinois Department of Revenue records showed today. The tax amounts to a half-cent on each sales dollar.

The latest monthly figure, \$20,373 for September sales, boosted the total since Oct. 1, 1950, to \$956,177. Since the 1950 monthly average has been in excess of \$15,000, it is probable that October 1965 revenue, to be announced in January, increased the cumulative figure to more than a million dollars.

For the first nine months of 1965, the total is \$142,272. The September tally was determined by a \$21,360 gross collection, with \$186,000 and \$548 deducted by the state to meet its 4% administrative costs. All leasing payments are being withheld as protested because of pending litigation.

George Hamilton, 85, Dies; Ill Six Weeks

George Hamilton, 85, of 400A State street, Madison, died of a heart ailment at 12:45 a.m. Tuesday, at St. Elizabeth Hospital, where he had been a patient for about three hours. In ill health for the past six weeks, he had been under medical care at the Caseyville Nursing Home since Dec. 5.

A native of Boston, Mass., Mr. Hamilton resided in Madison five years and in the Quad-City area about 15 years. Previously he had lived in St. Louis. Before retiring several years ago, Mr. Hamilton was employed at a St. Louis chemical firm. His wife, Louise, died in 1958.

Surviving is a niece, Mrs. Jean Rajewski of Madison. Funeral services were held at 10 a.m. today. Arrangements are given in today's obituary column.

2 Charged in Tavern Bottle Throwing Spree

Mrs. Alice O'Sha, proprietor of the Westernaire tavern on Highway 162, Troy road, and Kenneth Hamby, 20, of Edwardsville were arrested by the county sheriff's department Monday on disorderly conduct charges.

Officers said each threw glasses and bottles in the tavern last Friday night. Mrs. O'Sha pleaded guilty and was fined \$50 and costs. She recently was charged with keeping a place of prostitution. Hamby pleaded not guilty and was released on \$100 cash bail pending a trial on Jan. 3. Monday of each month.

Tomorrow Last Day to Send Red Cross Talking Letters

Tomorrow is the final day that Quad-City residents may record "Christmas Talking Letters" for servicemen overseas. Mrs. Ruby Overbeck, Tri-City American Red Cross Chapter executive, reminds local relatives today. Recordings may be made, without cost, between 9 a.m. and 5 p.m. tomorrow, at the local chapter office, 2035 State street. No appointment is necessary, Mrs. Overbeck said.

More than 50 recordings have been made by local persons to date, the Red Cross director said, with nearly 80-per-cent of

the total number being sent to servicemen in Vietnam.

The annual Yuletide project, includes a 15-minute recorded conversation on an unbreakable disc, a suitable envelope and packing material, all provided by the Red Cross free of charge. The sender is only asked to mail the record, which usually requires an eight-cent airmail stamp.

Many of the "talking letters" recorded earlier this month already have been received by servicemen in Vietnam and Europe with heart-warming results according to reports from the local senders, Mrs. Overbeck added.

Mrs. Anna Culibek, 96 Years Old, Dies

Mrs. Anna (Skoglich) Culibek, 96, of 2589 Spalding avenue, died at 6 a.m. Tuesday, in an Alton hospital, where she had been a patient for about two years.

Born in Yugoslavia, Mrs. Culibek had resided in the Quad-City area for the past 53 years. She was preceded in death by her husband, Steve Culibek, in 1941, and by a sister, Mrs. Dora Zupic of Madison.

Survivors include a son, Anthony Culibek, Granite City; a daughter, Mrs. Joseph (Mary) Depanel, Granite City; three sisters, Mrs. John (Magdalene) Trgovich, Madison, Mrs. Mary Dobrinic, Mount Olive, Ill., and Mrs. Louis (Barbara) Baffetti, Antioch, Ill.; eight grandchildren and four great-grandchildren.

Funeral arrangements are given in today's obituary column.

One Visitor at City Hall Open House

Only one visitor showed up for Monday night's open house at the city hall, and that person discussed the rebuilding of a building a long Nantuxi road that is to be razed.

Mayor Partney was unable to attend, due to a death in his family, and he assigned Fourth Ward Alderman Paul Rutledge to be in charge of the session.

Also present were Aldermen Whitmer, Paulus, Sternberg, Fry and Parmley, and Jack Fricker, city inspector, and Orville Deltour, city building inspector.

The open house sessions are held at 8 p.m. on the second Monday of each month.

DID YOU KNOW?

There was a time when there was but one church in all the world and every Christian was a member of it. At that time there was no division, Jesus prayed for all to be one (John 17:20-21). All who gladly received God's word, "were baptized and the Lord added them to the church (Acts 2:38-47). This was the first church on earth and there was only one.

Now the answers to a few simple questions will make the matter clear: Who established the church? Jesus said, "upon this rock I will build my church." (Mt. 16:18-19). Paul said the Lord purchased it with his own blood (Acts 20:28). How many churches did Jesus establish? He says "One Shepherd and one fold" (John 10:16). What name did He give His church and what name did He give the members? In Rom. 16:16 Paul speaks of the local congregations and calls them "the churches of Christ." The members were called "Christian" (Acts 11:26, 1 Pet. 4:15).

Can we all be just Christians and be united? We certainly can! For in the early day of Christianity there was no denominations. There was one body, one spirit, one hope, one Lord, one faith, one baptism, one God (Eph. 4:4-6), and they were of "one heart and one soul" (Acts 4:32).

Today the church of Christ is pleading for all people to return to the same teaching and the same church of which we read in the New Testament. His word is the same today as it was then. If men will hear it, and obey it, it will make them Christians and members of the same church. "For by one Spirit are we all baptized into one body" (1 Cor. 12:13).

In Memoriam 33

In loving memory of our dear son, brother, husband and father, ROBERT ELMORE WEEKS, who departed this life Dec. 17, 1964: Today recalls sad memories, Of a loved one gone to rest. Those who think of you today, Are the ones who love you best. What we would give to see you smile, To sit with us and talk awhile. The blow was sudden, the shock severe, To part with one we loved so dear.

We often sit and think of you, Things you used to say and do. We wonder why you had to die, Without a chance to say good-bye. Sadly missed by—

MOTHER, FATHER, BROTHERS, WIFE, AND CHILDREN 33-12-16

In loving memory of our darling son BILL SOWARDS who passed away Dec. 13, 1965: Twenty years have passed away, Since that sad day, When the one we love Was called away. God took him home It was His will, But in our hearts He liveth still.

On Sunday evening at the Elks club, a weekly session of the Granite City Duplicate Bridge club was held, won by Dr. Jacob Cohen and Mrs. Helen Meyer, first; Mrs. Helen Todd and Mrs. Golda Beiser, second; and tied for third, Mr. and Mrs. Lananah and Mr. and Mrs. Ralph Kalert.

The Nameoki Duplicate Bridge club met Monday morning in the home of Mrs. Sam Meyer, 2832 Yale drive. Winners were Mrs. Mary Fritz and Mrs. Olive Kalert, first; Mrs. Esther Wiseman and Mrs. Helen Meyer, second; and Mrs. Golda Beiser and Sam Meyer, third.

Members of Emmanuel Baptist Church will attend the annual Christmas program of the East junior high school in Alton Dec. 21 at 7:30 p.m. A 400-voice combined chorus will be under the direction of Ron Kelly. Revival services are still being held each evening at 7:30 at the church.

UPWA INSTALLATION

The Nameoki United Presbyterian Church Women's Association held its annual Christmas pot luck supper Monday evening at the church.

Guests were Rev. and Mrs. Gail Cross and children, Amy and Marcia; Mrs. Ruth Buer and daughter, Dana; Mrs. C. W. Genard; Mrs. Robert Whitaker; Mrs. Mae Meadows of Herrin, Ill.; Mrs. Delores Cunningham; Mrs. Alberta Hiesel and Miss Virginia Pyle.

Mrs. Irma Taylor, president, welcomed the group. Mrs. Bea Pyle gave the devotion, "Giving," and read the names of missionaries of the day. She closed with prayer.

New officers were installed for 1966 by Rev. Cross. They are Mrs. Irma Taylor, president; Mrs. Louise Thompson, secretary; Mrs. Louise Anderson, treasurer; Mrs. Fern Mitchell, program chairman; Mrs. Bonnie Britton, world service chairman; Mrs. Betty Filina, fellowship chairman; Mrs. Edith Simpson, spiritual life secretary; Mrs. Alta Stewart, local service chairman; Mrs. Lu Pyle, mission chairman.

LEADERS YULE PARTY

The Neighborhood Five Juliet-ers club held a Christmas party Tuesday afternoon at the Nameoki Presbyterian Church. The party started with a pot luck luncheon.

Games were played under the direction of the entertainment committee, Mrs. Pat Townsend and Mrs. Mickey Patton, and prizes were awarded to winners. Approximately 30 ladies attended and a gift exchange was held.

The regular monthly meeting was dispensed with in lieu of the party. The next meeting will be held Jan. 25 at 9:30 a.m. at the church.

HOPE CHURCH OFFICERS

A voters' meeting was held Tuesday evening at Hope Lutheran Church, and officers for 1966 were elected for the congregational life secretary. Mrs. Edith Simpson, chosen were Ralph Auf-alta Stewart, local service chairman; Mrs. Lu Pyle, mission chairman.

Marine Corps League Repairs Over 800 Toys

Over 800 toys, donated by Quad-Cityans in the "Toys for Tots" campaign of the Marine Corps League, have been repaired and refurbished by the league members and will be distributed to children of needy families on Dec. 22.

The league members can still handle a few more toys, but E. F. Dauderman, commander, said time is short to get into any large scale repair programs. "We're still taking them, but the number will be limited. Persons with toys can call us at TR 7-7243," Dauderman said.

For the distribution, the Marine Corps League will have trucks to make the deliveries throughout the Quad-Cities. The list of families to be helped with the cooperation of local agencies, clubs and individuals.

Christmas at Sacred Heart
The Christmas schedule for Sacred Heart Catholic Church will include High Mass at midnight and another High Mass at 8 o'clock, with Low Masses at 5:30; 6; 7; 7:30; 10:15 and 11:15, all on Christmas Day.

GC Band Parents Plan Fund-Raising Projects

The Band Parents Association of the Granite City high school held a meeting Tuesday evening in the band room of the school. Bernard Shepard, president, was in charge and various fund-raising projects were discussed and arrangements were made for the annual band trip to be made to Kansas City, Mo., in March. Refreshments were served after the meeting by Mrs. Marylouise Niepert and Mrs. Dorothy Hamilton.

Mrs. Martha Massa, 55, Former Resident, Dies

Mrs. Martha Eugenia (Oram) Massa, 55, of 3213 West Point drive, State Park Place, a former local resident and the widow of Leonard J. Oram, former Granite City township supervisor, died suddenly of an apparent heart attack at 8 a.m. Monday, at her home.

An inquest is pending. However, it is believed that Mrs. Massa had suffered with a slight heart ailment since the death of her husband, Joseph E. Massa, less than one month ago.

Born in St. Louis, Mo., Mrs. Massa had lived in Granite City several years ago. Her mother, Mrs. Ida Oram, presently resides at 2308 Cleveland blvd.

Mrs. Massa had attended the Collinsville First Baptist Church and had made her home in the Collinsville area for the past 28 years. Previously she had lived in Fairmont City near East St. Louis.

Besides her mother and brother, she is survived by a daughter, Miss Martha J. Massa of Collinsville; three sons, Attorney James J. Massa, Ronald L. (Tony) Massa, and Leonard G. Massa, all of Collinsville; and six grandchildren.

Funeral services were held in Collinsville at 10:30 a.m. today. Other arrangements are given in today's obituary column.

Alexander Assigned to Navy Aviation School

Seaman/Pat N. Alexander, son of Arthur N. Alexander, 1818 State street, has reported for duty to the Basic Naval Aviation Officer's School, Naval Air Station, Pensacola, Fla. He has been assigned to the school's training department, where he will assist in the production of graphic training displays.

The BNAO School provides basic academic and flight training for non-pilot officers and officer candidates who will, when assigned to fleet squadrons, operate electronic systems installed in Naval aircraft. A graduate of Granite City high school, Alexander entered the service in July 1964.

Thorough, Detailed Planning Has Preceded Saturday's Recreation Center-Rink Election

"Sugar and spice and everything nice—that's what little girls are made of."

But what are ice skating rink recreation structures made of?

The Wilson Park project to be voted on Saturday is to be made of many things, but mostly concrete, wood and steel.

In developing a design and projecting the cost, Architects Henry Gabriel and Sylvester Duggeroff have analyzed the rink construction down to the last square foot of insulation and last cubic yard of backfill.

Refrigerator Piping

Major elements of the construction include 16,000 square feet of rink refrigerator piping and equipment, an identical amount of concrete, 25,000 square feet of roof beams and deck and a 5,000-square-foot concession area.

The materials and work have been divided into 20 basic categories—excavation, backfill, disposal, gravel fill under slab, drain tile, vapor barrier, insulation, concrete footings and grade beams of rink and concrete, concrete rink floor, concrete slab rink apron and patio, a short rink wall, chain link fence, refrigerator piping and equipment, rink electrical work, rink roofing, rink plumbing work, the parking deck and beams, asphalt parking lot and drive, landscaping including wooden patio fence and the concession or "warming room" building, including plumbing, heating and electrical work.

In each case, unit costs and specific quantities have been used in determining cost estimates.

Allocations also have been made for rubber mats, skate room equipment including rental skates and sharpening equipment.

The rink size is that used by professional hockey teams. It can handle 700, 800 or 900 skaters simultaneously, or even more considering that some will be in the concession area at various times during each session.

The structure also provides a roofed warm-weather meeting place capable of seating over 350 persons and suitable for youth activities, musical entertainment, square dances, tumbling and gymnastics, sports exhibitions, flower shows, fairs, an outdoor banquet area, a picnic shelter and countless special events, reunions, conventions and meetings.

The "hockey dasher" also is a phrase that may be unfamiliar to many Granite Cityans. This is the wooden barrier that enables skaters to halt any unplanned excursions past the edge of the skating area.

Specifications call for a concrete, brick, wood and steel structure that will provide an 800X5-foot concrete surface capable of being surfaced with ice.

Protected But Open-Air The rink, varying in height from 15 to 60 feet to provide protection and an open-air effect, also is to cover concrete areas for spectators around the rink.

Overall size of the pavilion is 115,205 feet, not counting the 500-square-foot enclosed building of the patio section, highlight of which will be a bonfire area.

ment, checkroom equipment, office equipment, ticket, sale and equipment, first-aid equipment, ice resurfacing equipment and contingencies.

Zamboni, "Dashers" Recreation centers have a terminology all their own, particularly those equipped to provide a smooth surface of ice for winter-time skating.

Unusual terms include the "Zamboni," the name of the machine that is driven across the ice in mid-session to restore smoothness and eliminate excessive moisture.

The "hockey dasher" also is a phrase that may be unfamiliar to many Granite Cityans. This is the wooden barrier that enables skaters to halt any unplanned excursions past the edge of the skating area.

Specifications call for a concrete, brick, wood and steel structure that will provide an 800X5-foot concrete surface capable of being surfaced with ice.

Protected But Open-Air The rink, varying in height from 15 to 60 feet to provide protection and an open-air effect, also is to cover concrete areas for spectators around the rink.

Overall size of the pavilion is 115,205 feet, not counting the 500-square-foot enclosed building of the patio section, highlight of which will be a bonfire area.

The rink size is that used by professional hockey teams. It can handle 700, 800 or 900 skaters simultaneously, or even more considering that some will be in the concession area at various times during each session.

The structure also provides a roofed warm-weather meeting place capable of seating over 350 persons and suitable for youth activities, musical entertainment, square dances, tumbling and gymnastics, sports exhibitions, flower shows, fairs, an outdoor banquet area, a picnic shelter and countless special events, reunions, conventions and meetings.

Marine James Curlls Graduates as Recruit

Marine Pvt. James R. Curlls, son of Mr. and Mrs. Riley A. Curlls, 2523 Circle drive, has graduated from Marine recruit training at the Marine Corps Recruit Depot, San Diego, Calif.

During eight weeks of intensified training under veteran drill instructors, he learned small arms marksmanship, bayonet fighting and methods of self-protection, as well as receiving instruction in military drill, history and traditions of the Marine Corps and other academic subjects. He has been assigned to Camp Pendleton, Calif. for four weeks of individual combat training and four weeks of basic specialist training in his military occupational field.

What are ice skating rink-recreation structures made of? Advocates of passage of Saturday's special Granite City park district election believe the real answer to such a question is "People."

Judging by the manner in which other park recreational programs have been conducted and received, they expect the recreation center to be used by all age groups, for all kinds of purposes, and that it will be in use every day of the year.
